[Warning: External email]

Dear Dr. Arwady,

Hope all is well with you.

The Chicago Latinx COVID-19 Prevention Taskforce is having a social gathering at the Chicago Fire game at Soldier Field on June 23 at 7 PM. The Chicago Fire was gracious to facilitate two skyboxes for our group. The purpose of the gathering is to thank taskforce members for volunteering their time to the pandemic response over the past year. As you may remember, the taskforce members are healthcare

workers, members of the Latinx diplomatic corps and members of your CDPH team. Dr. Luna, Eric Viguera, and other members of your team are active members and valuable contributors to the taskforce.

I would like to invite you to join us. Should be a fun evening! I believe Dr. Luna will be in attendance.

Let me know if you're able to attend and I'll transfer the tickets via email.

Best,

Max
