Hi Steve-

On March 31, the City accepted a gift from JP Morgan Chase that included the use of a conference room in their office at 21 N. Clark Street. In addition to the use of its conference room, Chase also provided audio-visual technical services and coffee. The meeting took place from 10:30am-noon and included about 15 City employees attending in-person and 15 over Zoom.

Best wishes,
Samir
