Subject: 5/6/22 Elrod Friedman Seminar - Report of Attendance

Hi Rich,

I'm writing to report that on May 6, 2022, I attended the full-day Elrod Friedman Biennial Seminar in my official capacity as an Attorney for the City of Chicago Department of Water Management. The location of the seminar was the River Roast Restaurant at 315 N. LaSalle St. in Chicago.

The seminar included substantive learning on topics pertinent to my legal practice, including real estate and land use, the Illinois Freedom of Information Act, and new legislation and caselaw. Elrod Friedman LLP covered the expenses for the seminar.

Please let me know if you have any questions or concerns.

Thank you.

Regards,

Daniel Ostrovsky
Attorney
City of Chicago
Department of Water Management
