Subject: Re: Official City Travel Discloser February 2022

Good morning, Steve. This email is a follow up of my disclosure of travel to Paris, France February 19-25, 2022, for a global practicum as a fellow of the University of Chicago Civic Leadership Academy. My expenses for this time period (incl. air, lodging, meals, any fees and ground transportation) were covered by the CLA program. The mayor's Chief of Staff was aware of and approved this travel.

I followed this trip with a vacation in Paris from February 26-March 3, returning to the office March 9. At this time, I used my benefit time and all expenses were paid by me.

Thank you!
Maggie
