Good afternoon Lauren and Reshma,

On June 23, 2022, Fellowship MB Church is allowing the Office of Substance Use, to use their space free of charge (**gift**) for a documentary screening titled "Tipping the Scale of Pain". The goal for showing the film is to provide education and harm reduction information to the community and Fellowship has a large space we can use. If you have any questions or concerns, I can be reach at the information listed below.

Thank you,

Walonza
