Subject: Gifts to the City

Steve –

On Tuesday and Wednesday, April 5th and 6th respectively, AIS IT participated in workshops with Gartner. AIS IT accepted morning coffee on each day and dinner/teambuilding on Tuesday evening as a gift to the City from Gartner.

Approval to accept these gifts on behalf of the City was granted by the Board of Ethics in advance of the noted meeting dates.

Please advise if you have any questions.

Regards,
Kurt

Kurt Peterson, Chief Information Officer
City of Chicago | Department of Assets, Information & Services
