Subject: Travel to Huntsville Alabama

[Warning: External email]

Good Afternoon Richard, we have returned from Huntsville Alabama. From March 21, 2022 to March 24, 2022, TFO Donald Story traveled to Huntsville Alabama. The purpose of the trip was to investigate firearms trafficking cases for firearms purchased in Alabama but were recovered here in Chicago. The Federal Government paid for all expenses related to this trip. Thank you again for all your help.
