Morning Lauren,

Hope you are doing well!

As requested, this is the email after participating at the 2022 Airport Council International (ACI-NA) Annual Conference and Exhibition in Minneapolis, MN.

I was invited to attend the graduation ceremony and waived the registration fee after successfully completing the U.S. Airport Professional Program.

The registration fee for this conference was \$875.00 | No other expenses were paid by (ACI). Should you need further information, please let me know at your earliest convenience - Thank you!

Juan
