Mr. Berlin -

I am back from conference in NYC that took place from Dec 4th and Dec 5th. During the Cities 4 Action gathering, Deputy Mayor Ponce de Leon and myself, represented the City of Chicago in our official capacity. We participated in panels and workshops on how Chicago is responding to the buses arriving from the southern border.

The hotel and the airfare were covered by the Mayor's Office. No registration costs associated. Please let me know if you need any further information. Thank you.
