**Subject:** Post Travel Follow up - BOE Approval for Travel:: IDPH Minority Health Conference - Dec 3th-5th

Morning Steve, I'm writing to follow up post travel to the Minority Health Conference in-person in Bloomington-Normal, IL on Dec 3th-5th for myself and my colleagues listed in the chart below.

We participate and/or presented in this conference on behalf of the Chicago Department of Public Health. We shared and learned best practices in health equity for public health practice, particularly around the Healthy Chicago Equity Zones, and our Racial Equity Action Plans.

Illinois Department of Public Health is covering travel costs for all including hotel for those who are attending multiple days. We will follow standard department/City processes for all travel expenditures.

#### UPDATED STAFF TRAVEL DATES
