Subject: Gift

Hello Comptroller Rehwinkel and Mr Superfine: On Monday, 11/27/23 I noticed a package delivered to our office, addressed to me, from Civiltech Engineering Inc. The package contain 12 individually wrapped cookies from do goods cookies. Based on their website, I estimate the value of this product at \$25. I am accepting the package on behalf of the City and placing the items in our reception area for anyone to take one.

Thanks
Vig
