Subject: RE: REMINDER: Save the Date: 2023 Making Dialysis Safer for Patients Coalition Workshop

Hi Steve,

I returned from the conference on Friday, June 16 2023 that took place in Atlanta, Georgia. I attended the conference at the Marriot Hotel to represent the City of Chicago, Healthcare settings team and the work we are doing. CDC paid for the entirety of the trip (June 14-June 16).

Maria
