Subject: Re: Conference Notification

Good afternoon Steve,

I have returned from attending the The Future of Alternative First Response: Building Sustainable and Scalable Programs Conference in Washington, DC on June 1st and 2nd. I was invited to attend the conference in an official capacity as a CDPH Program Director. The sponsored organizations, Georgetown Law and the Policing Project covered my travel costs, hotel and conference registration. They also have us a cloth bag a water bottle and a rubber cell phone pocket. If you have any questions, feel free to call

Best
