**Subject:** Travel to Atlanta for CDR Summit

I , **Donna Peace** , attended the **National Cluster Detection and Response (CDR) Summit** on June 14-15, 2023 in Atlanta, GA **sponsored by the National Alliance of State and Territorial AIDS Directors (NASTAD)**. I attended as the Epidemiologist at the Chicago Department of Public Health who is involved in the Cluster Detection Response (CDR) activity. NASTAD paid all expenses for my attendance including airfare, hotel room, breakfast and lunch and reimbursement for meals not provided (see attached copy of their reimbursement form that I have submitted to Maribel Barreto).

The meeting presented examples and best practices for effective CDR planning, policies, procedures, and/or implementation strategies. I was also able to expand my network of peers engaging in CDR implementation and Identify innovations in CDR implementation from health department peers to strengthen CDPH CDR planning and activities.

Thanks  
donna peace
