Subject: Letter regarding return of gifts

Hi, Richard. Thank you for your time on the phone this morning. Last year I returned a gift, and I want to make sure that the Board of Ethics received a copy of the attached letter. I did not see this letter uploaded to the BOE website, so I am sending the letter to BOE again just in case.

Sincerely, Aaron

Ms. April Gasparri

Dear Ms. Gasparri:

We value your consideration and want to express our gratitude on behalf of the Chicago Department of Aviation ("CDA") for sending the caps to us from the Westchester County Airport on August 25, 2022. I must inform you that the CDA has a Zero Tolerance Policy regarding gifts. The Chicago Ethics Ordinance and Chicago Department of Aviation's Ethics Policy prohibit City of Chicago employees from receiving any gifts, thus even though I appreciate the gift, I am returning it to you. Thank you again.

Sincerely,

Aaron Frame
