Subject: RE: Confidential - RE: Request for review of 3rd party expense (IAPA Annual Conference)

Richard,

I attended the Illinois Asphalt Pavement Association Annual Conference in Springfield, IL on Monday, March 27th and Tuesday, March 28th. I attended on behalf of the Department of Transportation in my capacity as the Quality Assurance Manager and Chief Materials Engineer. The conference is a two-day program covering asphalt technology, performance and best practices. I manage and oversee operations at both asphalt producer facilities and job site placements. This conference is beneficial to keeping CDOT informed of changing material requirements, ongoing concerns and improved technologies in the industry.

Travel costs, including meals not provided during the conference, hotel, and gas for city vehicle were approved by OBM through CDOT's travel budget.

Let me know if you need anything else.

Thank you,

Sean Guzik, P.E. | Quality Assurance Manager
CDOT - Division of Engineering
