Subject: Re: Travel Request for February - March 2023

Hi Steve,

I am confirming that I did travel on behalf of the City in my capacity as CSO.
I traveled from Chicago to Zagreb and Split Croatia on the following dates:

Feb 28th - Departure to Zagreb
March 1st - 2nd - Angela attended the P-TECC Convening
March 2nd - Angela traveled to Split
March 3rd - Angela presented at the Green Cities Forum
March 4th - Departure back to Chicago

Hotel, meals, and airfare were covered by Argonne National Lab, which is part of the US Department of Energy.

Please let me know if you need any additional information.

Best,

Angela
