Hi Steve,

I recently completed participation in a presentation on the [Chicago Arts & Health Pilot for Creative Workers](#) at the NY Federal Reserve Bank at the invitation of our national partners, One Nation One Project. A link to the day's presentation (and my remarks) can be found [here](#).

Lead conveners covered airfare, hotel, and ground transport.

Please let me know if you need anything else from me.

Subject: Fw: NY Fed Event Invitation

Hi Steve,

I have received another invitation; this one is from our national partners, One Nation One Project, to represent the [Chicago Arts & Health Pilot for Creative Workers](#) at a daylong public event. The request is for the City of Chicago's pilot to be part of a panel conversation of case study projects involved in this larger arts and health initiative.

Contributing participants have airfare, hotel, ground transport, and per diem covered by the lead conveners.

I have received approval from my commissioner to attend. My department is currently preparing a travel request for submission. I've attached a copy of the invite and summary info on the convening. Please let me know if you need anything else from me.

Best
