Subject: Re: ISAAB/ISHRAB membership

Hi Steve,

I attended the annual meeting in Springfield of the Illinois State Historic Records Advisory Board (ISHRAB) of which I am a participating member in my capacity as archival specialist for the Office of the City Clerk. The meeting was held on February 22.

ISHRAB provides a travel stipend to attend the meeting for all members. After the meeting I reported my mileage for the trip to and from Springfield and on Friday, March 29 I received a check in the amount of \$281.40 from the State of Illinois.

Sincerely,

Matt Messbarger | Archival Specialist
