Hi, Lauren,

I attended the Salesforce/DTI event today, and it was definitely reportable. I did not consume anything, but we had to sign off on the availability of \$47 in lunch and snacks per attendee. I attached the final reminder about the event from this morning here too.

On 3/19/24, I attended a meeting co-hosted by the City of Chicago's DTI and Salesforce at the Salesforce Tower Chicago, 333 W Wolf Point Plaza, as part of my official duties with the City of Chicago. At this event, I accepted reasonable hosting as an event attendee. Please let me know if you need anything else.

Thanks!
AJ
