Subject: Re: Travel for Unit 116 - CPIC

Good afternoon,

I am writing on behalf of Captain Quinn of CPIC, Bureau of Counterterrorism.

Captain Patrick Quinn, Officer Michael Bowen, and Officer Robert Long recently returned from their travel to Washington DC where they were attending the National Fusion Center Association (NFCA) Conference from 21-25 April 2025. Their expenses were paid for with UASI grant funding. They did not receive any honoraria.

Thank you,

P.O. Maggie Mahoney
