RE: Travel Report for March 17-21, 2025

Date: March 31, 2025

On behalf of the Chicago Department of Public Health, I recently attended the Partnership for Healthy Cities meeting in Paris, France. The funds to support this trip were covered by an independent third party, Bloomberg Philanthropies. I did not accept any honorarium for such travel.

Please contact me if you have any questions at 312-747-9429.

Thank you
