Subject: Receipt of Gift

Yesterday, August 4, 2025, myself and representatives of DOE accepted the following from the Metropolitan Mayors Caucus on behalf of the City:

A plaque recognizing the City's status as a Gold Level EV Ready community that participated in the Caucus' EV Readiness cohort

framed certificates recognizing special achievements

collectible toy EV Hotwheels matchbox cars.

Reusable car trunk bag w MMC EV Ready logo

All will be displayed/used in DOE offices or vehicles.

I do not know the total value - perhaps \$50-60.
