Subject: Sponsored meal and advice re: ticket purchase

Steve,

I have been invited, in my official capacity, to speak at City Club on 8/26.

Two things: first, the sponsor of the event will provide me with lunch.

Second, I would like to (personally) buy a table (ticket value of \$95 per person) and invite some staff from my office to attend. Do you have any concerns about my doing so?

Thanks so much,

Deborah
