**Good Morning,**

**My name is Adam Winters, and I am the Chief of Staff for Alderman Knudsen. On 7/8/25, Maria Pappas, Cook County Treasurer, had staff drop off lovely flowers to our office. If possible, the 43rd ward office would like to accept these flowers on behalf of the City of Chicago and leave them in the lobby for our constituents to enjoy. Please let me know if this is acceptable or if any other information is needed.**

**Sincerely,**

**Adam Winters**
