Subject: Book Donation to Merlo Library

Hello Steve,

We are emailing to let you know that the Merlo Branch has accepted a donation of 13 books from a community member, Kevin Treski. Kevin was an employee of Wizards of the Coast and had Dungeons and Dragons books to donate, and reached out to see if we had a D&D club at the library that would accept them. There is a picture of the donated titles attached. At least one title will be sent to Harold Washington and added to their circulating collection, and several (right now I'm thinking 6 or 7) will be added to Merlo's Teen Reference collection, which can be perused by patrons. I may send some titles to other teen collections - let me know if you need to know where all the titles end up. It's going to take a bit to go through them and add them all to the catalog.

Thank you and let me know if you need more information,
