**Subject:** John Rich attendance at Dance/USA conference June 2025 in City capacity

Hello Steve,

The Dance/USA conference was held in Chicago from June 17-20, 2025. I accepted free registration from the host, and attended in my official capacity.

The conference was centered in the Loop, with daily opening and closing sessions at the Palmer House with panels from national and local presenters, workshops and presentations of dance at Roosevelt University and the Chicago Cultural Center. An opening program, celebration and award ceremony was held at Harris Theater on Tuesday June 17.

Please let me know if you require additional detail or documentation.

Thank you,

John
