Subject: attending event

Hi Steve,

Hope you are well and having a nice spring!

Question - I was invited (with Lori Frumkin) to attend an evening event/gala by the Jazz Institute of Chicago, an organization we have been working with to bring jazz to the library. The ticket would normally cost \$195, but I was invited as their guest. I have approval from my department head and would be attending in my official capacity at the sponsor's invitation.

The event is on May 22, 2025 at 6:30 at 720 S
Michigan: <https://www.jazzinchicago.org/gala2025>

Is it ok to attend?

Thanks for your guidance,

Jennifer
