Hi Steve,

We are writing to confirm attendance representing the City of Chicago at Urban Sustainability Directors Network Midwest Regional Meeting from August 25-27, 2025 in Saint Louis, MO. USDN invited the DOE's senior leadership to attend and covered the costs of travel, lodging, and food for both myself and Angela Tovar. Our schedule was as follows:

August 25th AM - Travel to St. Louis

August 25th PM- Convening begins

August 27th AM- Convening ends

August 27th PM - Return to Chicago

We didn't get much beyond the conference hotel but Angela made it to the new Energizer Field soccer stadium, I visited an organic working farm in Ferguson and we had dinner at The Shaved Duck on the south end of town. Need to visit Left Bank Books on the next visit!

Thanks

Jared
