Hi Steve -

I returned back from the conference last night. The National immigrant inclusion Conference took place at National Harbor, MD from Dec 11<sup>th</sup> - Dec 13<sup>th</sup>. The NIIC is the largest gathering of immigration advocates in the country. During the NIIC, I represented the City by participating in 3 panels to speak on the role of the Office of New Americans and how the City is responding to the buses arriving from the southern border. The hotel and the airfare were covered by the Mayor's Office. The Vera Institute covered registration costs. Please let me know if you need any further information. Thank you.

Warmly,

Jesus Del Toro
