Dear Karen:

We wanted to personally thank you for your assistance with our broadcasting staff and providing them access to film our draft picks at O'Hare International Airport this past May. Because of your assistance, we were able to chronicle the first moments of their Bears careers beginning with their arrival in the great city of Chicago. Much of the footage shot has been used in a special "Inside Rookie Minicamp" series which is currently running on our team website, ChicagoBears.com. If you have a moment, please take a look to see how your participation helped make this series unique for Bears fans across the globe.

It was a pleasure working with you. We appreciate your professionalism and look forward to working together again in the future. Enjoy the summer and thanks again for your efforts.

Sincerely,

Scott Hagel

Dear Mr. Hagel,

On behalf of the Chicago Department of Aviation (CDA), I would like to thank you for the very thoughtful gift of a signed Bears hat.

While I appreciate the gesture, I cannot accept your gift based upon the CDA's zero-gift policy,

Therefore, I am returning the hat back to you via US Postal Mail.

Sincerely,
