Steve,

I have been provided with a ticket to Gourmet Chicago, an event which I plan to attend this Sunday, September 30. The ticket is being provided by the producers of the event, the Illinois Restaurant Association. The IRA coordinates the food and beverage operation for us at Taste of Chicago. I coordinate the Celebrity Chef du Jour and Chef Demonstration areas at Taste of Chicago, and would like to see how Gourmet Chicago is set up, what chefs are participating, etc., to hopefully get some great ideas for Taste 2013.

Thank you,
