Subject: RE: NATO Hotel Rooms

Hi Steve -

Per the emails below from Commissioner Boone and yourself, I am confirming that I had overnight accommodations provided by the NATO host committee in support of working the events at the Cultural Center on Sunday May 20th, 2012.

I stayed at the Fairmont Hotel, 200 North Cloumbus Drive the night of Saturday May 19th, 2012. The only documentation I received was an invoice for local telephone charges, which I paid.

If you need any further information please let me know.
