Steve:

I hope you are doing well. Emma Rosenberg, Alderman Smith's new Director of Communications, was taken to lunch by Marty Oberman on January 26, 2012 to discuss ward history. As Marty is a constituent of the 43rd Ward, we felt the need to report this to your office. The information regarding the price of her lunch is described below. Please let me know if you need anything further.

Thanks,

Matt Rich
