November 3, 2017

Dear Annuitant Who Retired Before August 23, 1989:

As a participant in the City of Chicago's Retiree Healthcare Plan, if your income meets certain Federal Poverty guidelines, you may be eligible for a reduction in your current healthcare premium payments under the City's Means Test program.

In addition, you might save money on your prescription drugs. The Retiree Healthcare Plan's retail drug deductible may be eliminated and your mail order drug co-payments may be reduced if you meet the program requirements.

If you want your income level reviewed to determine if you qualify for a reduction, you must complete and sign the enclosed Internal Revenue Service (IRS) Form 4506T and mail it no later than November 24th, 2017 to the following address:

City of Chicago - Department of Finance - Chicago Benefits Office
333 South State Street – Room 400
Chicago, IL 60604-3978

The returned signed form authorizes the Chicago Benefits Office to contact the IRS and request your official 2016 adjusted gross income. Forms that are faxed or emailed to us will not be accepted.

Important Reminders:

Please note that if you qualify for any reduction, it will not be retroactive.

Even if you were enrolled in the Means Test program in the past, you must still submit a new form each year to be recertified.

DO NOT SEND US YOUR COMPLETED TAX FORMS FROM LAST YEAR because we can only use information that comes directly from the Internal Revenue Service.

Returning the form is an optional decision.

Should you have any questions, please contact the City of Chicago Benefits Service Center at 1-877-299-5111.

Sincerely,

Chicago Benefits Office

2017 MEANS TEST PROGRAM SUMMARY

The enclosed IRS form 4506T allows the Chicago Benefits Office to obtain Federal tax records to determine your eligibility for Means Test program.

If your combined total household adjusted gross income is at or below 250% of the Federal Poverty Guidelines, you may be eligible for one of the following limits on your monthly rate for retiree health benefits from the City of Chicago:

- Monthly rate capped at 25% of income where total household adjusted gross income is greater than 200% up to and including 250% of federal poverty level.
- Monthly rate capped at 20% of income where total household adjusted gross income is greater than 150% up to and including 200% of federal poverty level.
- Monthly rate capped at 15% of income where total household adjusted gross income is greater than 100% up to and including 150% of federal poverty level.
- Monthly rate capped at 10% of income where total household adjusted gross income is less than or equal to 100% of federal poverty level.

IMPORTANT NOTE: Therefore, under the City's benchmarks, below are the limits for 2017. The Federal poverty limit is $12,060 a year for a family unit of one person and $16,240 a year for a family unit of 2 people.

Example: If a single Annuitant's total household adjusted gross income for 2016 was $16,000 ($1,333.33 each month), then the Annuitant's income would fall into the category that is more than 100% of poverty level, but less than 150% of poverty level. Therefore, the annuitant's premium would be capped at the lower of 15% of income ($200 per month) or the actual premium.

2017 SPECIAL BENEFITS ON PRESCRIPTION DRUGS

If your total household adjusted gross income is at or below 250% of the Federal poverty guidelines and you do not qualify for a reduction in your current healthcare premium payment, you may be eligible for the following special benefits:

Retail Drugs: the separate $100 annual prescription drug deductible will not be applied going forward from the date of eligibility through the end of 2018.

Mail Order Drugs: the co-payments will be $7 per generic prescription drug (as opposed to $29) and will be $20 for brand name prescription drug on the preferred drug list (as opposed to $79).

The separate poverty guidelines for Alaska and Hawaii reflect Office of Economic Opportunity administrative practice beginning in the 1966-1970 period. Note that the poverty thresholds — the original version of the poverty measure — have never had separate figures for Alaska and Hawaii. The poverty guidelines are not defined for Puerto Rico, the U.S. Virgin Islands, American Samoa, Guam, the Republic of the Marshall Islands, the Federated States of Micronesia, the Commonwealth of the Northern Mariana Islands, and Palau. In cases in which a Federal program using the poverty guidelines serves any of those jurisdictions, the Federal office which administers the program is responsible for deciding whether to use the contiguous-states-and-D.C. guidelines for those jurisdictions or to follow some other procedure.

Caution: If the tax transcript is being mailed to a third party, ensure that you have filled in lines 6 through 9 before signing. Sign and date the form once you have filled in these lines. Completing these steps helps to protect your privacy. Once the IRS discloses your tax transcript to the third party listed on line 5, the IRS has no control over what the third party does with the information. If you would like to limit the third party’s authority to disclose your transcript information, you can specify this limitation in your written agreement with the third party.

Transcript requested. Enter the tax form number here (1040, 1065, 1120, etc.) and check the appropriate box below. Enter only one tax form number per request:

- [ ] 1040
- [ ] Return Transcript, which includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-A, Form 1120-H, Form 1120-L, and Form 1120S. Return transcripts are available for the current year and returns processed during the prior 3 processing years. Most requests will be processed within 10 business days.
- [ ] Account Transcript, which contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns. Most requests will be processed within 10 business days.
- [ ] Record of Account, which provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years. Most requests will be processed within 10 business days.
- [ ] Verification of Nonfiling, which is proof from the IRS that you did not file a return for the year. Current year requests are only available after June 15th. There are no availability restrictions on prior year requests. Most requests will be processed within 10 business days.
- [ ] Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript. The IRS can provide a transcript that includes data from these information returns. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, W-2 information for 2011, filed in 2012, will likely not be available from the IRS until 2013. If you need W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213. Most requests will be processed within 10 business days.

Year or period requested. Enter the ending date of the year or period, using the mm/dd/yyyy format. If you are requesting more than four years or periods, you must attach another Form 4506-T.
