SECTION TWO – DFSS PROGRAM DESCRIPTION

A. Program Goals

This RFP seeks to increase domestic violence victim safety by providing legal services and representation for victims who may not otherwise have access to these services. Respondents

will educate victims about their rights under the IDVA and provide legal advice and representation.

Through legal protections offered under the IDVA, victims can be awarded Orders of Protection, sole custody of the residence and dissolution of the marriage, and child support. Legal representation under this program will offer legal remedies to victims who would otherwise not be able to afford legal representation. Legal services and representation will be provided to all victims seeking assistance regardless of gender, race, ethnicity, sexual orientation, income status, or language ability. In addition, legal service providers will provide emotionally supportive crisis counseling and safety planning as needed.

B. Target Population

Any Chicago resident (and their children) who has been the victim of domestic violence seeking legal representation is eligible for services. Respondents should be able to offer services to undocumented victims, those who do not speak English, all genders, those who are disabled, and LGBTQIA victims.

SECTION THREE – REQUIRED CORE PROGRAM ELEMENTS

Legal Services program agencies will provide legal representation and assistance with completing the paperwork when seeking an Order of Protection, child custody, child support, dissolution of marriage, and immigration issues in domestic violence and family courts. - Provide services that are responsive to the background, circumstances, and cultures of the communities and individuals they serve.
- Take referrals from the Illinois Domestic Violence Hotline, from legal advocates, or from law enforcement.
- Provide services without charging victims fees for representation; and
- Assist victims to create a safety plan for themselves or their child(ren).
