City Cooling Centers

During the summer months, the Chicago Department of Family and Support Services operates six Cooling Centers located inside of the City's Community Service Centers.

There are also various other locations for residents to find relief during the extreme heat, including:

- Seniors are welcome at one of the City's 21 Senior Centers
- The Garfield Center (10 S. Kedzie) is open to connect residents to emergency shelter 24 hours a day, seven days a week
