

Need Support to Assist in your Caregiving Duties?

DFSS Caregiver Program: Housing Services

- Are you an Older Chicagoan at least 60 years of age?
- Are you in need of housing resources?
- Do you need to speak to someone about your housing concerns or issues?

We are here to help! The Chicago Department of Family and Support Services Housing Assistance program may be able to provide you with assistance. We will have a housing professional conduct an assessment to determine your eligibility for the Housing program and provide you with additional information on Caregiving resources.

The Housing program provides housing information, referrals and resources.

For further information or to make a service request, please call (312)744-4016 or email aging@cityofchicago.org
