FELLOWSHIP**

SUMMER 2021

SUMMER 2021

LETTER FROM THE MAYOR

Dear Prospective Fellows:

Working in local government can be an immense challenge, requiring dedication and hard work from talented individuals and leaders, but it can also yield meaningful rewards.

This is a new era in Chicago, and it is time to take on the challenges we face every day in the city; the quality of our schools, the safety of our streets, and equal opportunity for every resident. We are not the first city government to face these issues, but I am confident that we can become the first to solve them. As a Mayoral Fellow, you will be instrumental in helping us find the solutions to the city's most pressing issues while working in one of the world's greatest cities with some of the best minds in local government.

Chicago is committed to attracting gifted students and leaders, and fostering a promising career in public service. Some of our country's most exceptional students and professionals have been Mayoral Fellows, and we hope that you will consider joining us this summer.

Sincerely,

A handwritten signature in black ink that reads "Lori E. Lightfoot". The signature is fluid and cursive, with the first name "Lori" being particularly prominent.
