Mayor Rahm Emanuel, Police Superintendent Garry F. McCarthy and Fire Commissioner Jose Santiago today honored the exemplary service of Chicago Police Department and Chicago Fire Department personnel at the Carter Harrison and Lambert Tree Awards ceremony at City Hall.

About the recipients

2013 Carter Harrison Award - Police Officer Jeffrey Friedlieb and Ruben Del Valle
After observing a suspected narcotics transaction, Officer Jeffrey Friedlieb asked the subject to place his hands on the car, at which point the subject became irate and a physical struggle ensued. As Officer Ruben Del Valle rushed to assist his partner, the subject drew a handgun and fired several shots, striking Officer Del Valle in the arm and in the head. The subject then shot Officer Friedlieb in the head, where the bullet is still lodged behind his left ear. After being shot, both officers fell to the ground. Amazingly, Officer Friedlieb returned fire, striking the subject, who then fled. Responding Officers arrived and transported both officers to the hospital. The offenders was later apprehended and charged with two counts of Attempted First Degree Murder.

**2013 Lambert Tree Award – Lieutenant John Majka and Firefighter Anthony Licato**

Lt. John Majka responded to a fire on the far Southside and was told by family members outside that a 94 year old woman was bedridden and could not escape the fire which was on the second floor and appeared to be coming from her bedroom. Lt. Majka did not wait for water to provide cover. He ran into the burning building, directly to the second floor in heavy smoke and crawled around searching for the woman who he found on the bed unresponsive. In the dense smoke he pulled the woman to the hallway where conditions were slightly better. He heard Firefighter Anthony Licato coming up with a line and both men then went to work to bring this victim down and out of the building with conditions getting worse by the second. They were able to get her to waiting paramedics who stabilized her for transport.

**About the Lambert Tree and Carter Harrison Awards**

The Lambert Tree and Carter Harrison Awards are the Police and Fire Departments highest honor. The awards date to 1885 when Judge Lambert Tree donated $700 to the City of Chicago for a gold medal to be presented to a heroic firefighter. Mayor Carter Harrison responded by matching the request so that a police officer could be honored as well.

The Awards are rotated yearly between the Fire and Police Department so that neither award is deemed superior to the other. For instance, last year the Police Department received the Lambert Tree Award; this year, the Police Department will receive the Carter Harrison Award.
