MAYOR EMANUEL INTRODUCES ORDINANCE AUTHORIZING USE OF CITY FACILITY FOR COOK COUNTY SHERIFF'S WORK ALTERNATIVE PROGRAM

Space sharing and shared delivery of services

The Emanuel Administration introduced an ordinance that would authorize the execution of a space sharing license agreement with Cook County. Under the terms of the agreement the Cook County Sheriff would use a portion of the City-owned property located at 3559 South Maplewood Avenue for storage and for operations related to the Cook County Sheriff's Work Alternative Program.

The Department of Streets and Sanitation would continue to use the remaining portion of the property. The Cook County Sheriff and the Department of Streets and Sanitation coordinate some of the services performed by the Cook County Sheriff's Work Alternative Program.

Under the terms of the agreement, the Cook County Sheriff would utilize approximately 3,700 square feet of garage and storage space at 3559 South Maplewood Avenue. The agreement will begin upon execution following City Council approval and the fee is \$1.00 through the end of term, December 31, 2017. The agreement may be canceled by either party at any time with 60 days' notice.
