Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 39-01 ADA

The following information is provided in response to questions posed at our department's hearing on October 27, 2020 to discuss the proposed 2021 budget.

Alderman Lopez asked for information on ADA compliance.

Starting in 2016, the Board began working with the Justice Department and together, created a settlement agreement for moving toward full accessibility at all polling places. Under that agreement, the Board has hired an accessibility consultant and works with a third-party observer, Equip For Equality. Also, of note, much more stringent and thorough measurements are made on each precinct polling place under the settlement. These extend from the curb cuts and sidewalks, to the ramps, doorways, hallways and rooms that are used for polling places.

As a result of these more strict and comprehensive measurements, a majority of our polling places are technically listed as not fully accessible, even in public buildings that are rated as accessible or that were "grandfathered" into being listed as accessible based on the year the structure was built or last modified. However, in these facilities that are not fully accessible, the Board also has the ability to remediate any obstructions with items such as temporary ramps, door openers, cones and other steps to bring a location into compliance. To achieve this, the Election Coordinators in each polling location also serve as the accessibility coordinators to ensure that remediations are complete and to ensure that the polling place room itself has equipment placed properly to ensure accessible voting booths with proper clearances.

Attached is a list of all polling sites as confirmed from October 28, 2020.

As always, please let me know if you have any further questions.

MEMORANDUM

To: The Honorable Pat Dowell
Chairwoman, Committee on the Budget and Government Operations

From: Lance Gough
Executive Director
Board of Election Commissioners for the City of Chicago

CC: Manuel Perez
Mayor's Office of Intergovernmental Affairs

Date: November 7, 2020

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 39-02 Registration

The following information is provided in response to questions posed at our department's hearing on October 27, 2020 to discuss the proposed 2021 budget.

Alderman Lopez asked for information on high school voter registration "delegate agencies."

The Board's biggest partner organizations for voter registrations in the high schools include Mikva Challenge, the League of Women Voters, Operation PUSH and Chicago Votes. Additionally, the Board works with a variety of organizations who have varying numbers of active deputy registrars.

However, the even larger and more impressive network include the social studies/history teachers, service learning coaches, librarians, principals and others employed in public and private high schools throughout the city. This network helped us uphold the Board's record of recruiting, training and employing more high school student election judges than any other jurisdiction in the United States. In most cases, these are 16- and 17-year-olds and future voters. To that end, at the November 3, 2020 General Election, the Board had a record number of election judges who were ages 16-24. We are working to generate that data that will provide you a listing of all of the high schools whose students served as Election Judges just as soon as we finish the tasks at hand – post-election vote processing and canvassing, as well as Election Judge payrolls.

As always, please let me know if you have any further questions.

To: The Honorable Pat Dowell
Chairwoman, Committee on the Budget and Government Operations

From: Lance Gough
Executive Director
Board of Election Commissioners for the City of Chicago

CC: Manuel Perez
Mayor's Office of Intergovernmental Affairs

Date: November 7, 2020

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 39-04 Webex

The following information is provided in response to questions posed at our department's hearing on October 27, 2020 to discuss the proposed 2021 budget.

Alderman Lopez asked about the Board's use of Cisco Systems Webex, as opposed to Zoom or other online meeting systems.

The US Department of Homeland Security, the Justice Department, the FBI and the Cybersecurity and Infrastructure Security Agency (CISA) all have advised election authorities strongly against using Zoom or Skype for election-planning meetings because of security concerns.

As always, please let me know if you have any further questions.
