Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 73-05 Stray Dogs

The following information is provided in response to questions posed at our department's hearing on November 9, 2020 to discuss the proposed 2021 budget.

Alderman Ramirez-Rosa requested to know how often CACC intakes dogs without an appointment.

Between January 1 and November 8, 2020, CACC took in 2,681 dogs of which 1,276 were strays.

CACC does not currently track unscheduled intake appointments, but anecdotally our shelter manager mentioned that he and our Supervisors regularly approve stray intakes without an appointment when residents mention that they need to leave a stray animal at the shelter.

As always, please let me know if you have any further questions.
