**From:** Erin Harkey  
Commissioner  
Department of Cultural Affairs and Special Events

**CC:** Elizabeth Beatty  
Mayor's Office of Intergovernmental Affairs

**Date:** October 19, 2022

**Re:** Request for Information from Annual Appropriation Committee Hearing

**ID:** 23-03 Park Clean Up

---

The following information is provided in response to questions posed at our department's hearing on October 18, 2022 to discuss the proposed 2023 budget.

Alderman Taylor asked what DCASE's role is in making sure that the parks are cleaned before and after permitted special events.

DCASE plays no role in the cleaning of Parks for Special Events. Event Organizers contract with the Chicago Park District for use of their property. Maintenance before an event is the responsibility of the Park District. Event organizers are responsible for cleaning the footprint during and after their event.

DCASE does regularly work with Park District leadership and will raise your concerns with their team at our next meeting.

As always, please let me know if you have any further questions.
