Re: Request for Information from Annual Appropriation Committee Hearing

ID: 25-01 Clerk Salary Increase

The following information is provided in response to questions posed at our department's hearing on October 07, 2022 to discuss the proposed 2023 budget.

Alderman Quinn requested the calculation behind the salary increase for the City Clerk.

The Clerk's Office worked with the Office of Budget and Management (OBM) regarding the proposed increase. Based on these discussions, we understand that OBM looked at the different COLAs that were provided to non-union titles and used that as a reference point. We defer to OBM to provide the specific calculation behind the increase.
