Re: Request for Information from Annual Appropriation Committee Hearing

ID: 48-07 Lift Inspections

The following information is provided in response to questions posed at our department's hearing on October 19, 2022, to discuss the proposed 2023 budget.

Alderman Tunney asked is there a semi-annual or annual inspection for commercial lifts?

Commercial property ADA lift inspections by the Department of Buildings Elevator Bureau are "periodic," occurring approximately every 2 to 3 years. If an inspection is requested by the property owner, more frequent inspections can be provided annually.

Business District commercial property inspections are performed by third party state-licensed inspectors hired by the property owner. The list of approved licensed third-party inspectors is provided to the owners by the City. The owner provides inspection certificates to the City.

As always, please let me know if you have any further questions.
