Re: Request for Information from Annual Appropriation Committee Hearing

ID: 91-05 Library Costs for Expanded Sunday Hours

The following information is provided in response to questions posed at our department's hearing on October 24, 2022, to discuss the proposed 2023 budget.

Alderman Osterman asked for information regarding the additional cost of operating a full day on Sundays at each site.

CPL is open to the public at all locations for four hours every Sunday. If we expand to eight hours of service, additional costs are roughly estimated at \$5.46 million. Please note that a more thorough cost evaluation would need to be conducted to determine the most accurate dollar amount for personnel and service impact, including but not limited to maintenance, janitorial and security costs.

MEMORANDUM

To: The Honorable Pat Dowell

Chairman, Committee on the Budget and Government Operations

From: Chris Brown

Commissioner, Chicago Public Library

CC: Beth Beatty

Mayor's Office of Intergovernmental Affairs

Date: October 25, 2022

Re: Request for Information from Annual Appropriation Committee Hearing

ID: 91-08 Camera Distribution

The following information is provided in response to questions posed at our department's hearing on October 24, 2022, to discuss the proposed 2023 budget.

Alderman Vazquez asked for a report on libraries being distribution sites for cameras.

The City of Chicago has expanded the Home and Business Protection Program (HBPP) to remove financial barriers and ensure that more Chicago residents have access to private security devices.

Eligible Chicagoans will be able to apply for private security devices based on income and pick them up at designated community distribution sites, including select public library locations. However, this has not yet begun.

We would be happy to share details about the program's intake at a later date.
