The following information is provided in response to questions posed at our department's hearing on October 25, 2023 to discuss the proposed 2024 budget.

Alderman Reilly asked for the number of animals euthanized and the total capacity for animals at the shelter.

Attached is a chart showing total number of intakes and outcomes (including euthanasia) as a comparison for 2022 vs 2023.

At CACC, we have a total of 231 dog kennels, categorized into four different sizes:

- 35 small kennels for dogs weighing 45lbs or less
- 141 medium kennels for dogs weighing 45lbs to 65lbs
- 46 large kennels and 3 x-large kennels for dogs over 65lbs
- 6 pens in our unloading area

Lastly, we have 115 brick and mortar kennels for cats.

As always, please let me know if you have any further questions.

The following information is provided in response to questions posed at our department's hearing on October 25, 2023 to discuss the proposed 2024 budget.

Alderman Lopez asked for a heatmap of where all the service calls come from, a list of all delegate agencies and a list of Homeward Bound partners.

A list of service calls by type and ward is attached.

CACC currently has one delegate agency through the Department of Family Support Services. This agency is the West Side Health Authority for a jobs training program with returning residents.

A list of our Homeward Bound Partners is attached and is also available on our website at [www.chicago.gov/cacc](http://www.chicago.gov/cacc).

As always, please let me know if you have any further questions.
