

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Chicago (City) receives an annual formula allocation of grant funds from the U.S. Department of Housing and Urban Development (HUD). To receive the funds, the City is required to develop a five-year Consolidated Plan that identifies community development priorities and multi-year goals through an assessment of affordable housing and economic development needs, an analysis of housing and economic market conditions, and available resources. The Consolidated Plan is carried out through Annual Action Plans which summarize the specific actions, activities, and financial resources that will be used each year to address the priority needs and goals identified in the Consolidated Plan. The four grant programs guided by these regulations are:

Community Development Block Grant (CDBG): CDBG funds are used to develop viable urban communities by providing decent housing, suitable living environments, and expanding economic opportunities primarily for low- and moderate-income persons.

HOME Investment Partnerships (HOME): HOME funds are used for a wide range of activities including acquiring, developing, and/or rehabilitating affordable housing for rent or homeownership.

Emergency Solutions Grant (ESG): ESG funds are used to engage persons and families experiencing homelessness; improve the number and quality of emergency shelters for persons experiencing homelessness; help operate shelters; provide essential services to shelter residents; rapidly re-house persons and families experiencing homelessness; and prevent families and individuals from becoming homeless.

Housing Opportunities for People with AIDS (HOPWA): HOPWA funds provide housing assistance and related supportive services for low-income persons living with HIV/AIDS and their families.

The 2023 Action Plan represents the third year of the City's 2020-2024 Consolidated Plan, approved by HUD in 2020, and proposes programs and services anticipated to be funded during the City's 2023 fiscal year, January 1, 2023 - December 31, 2023.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The City of Chicago is required to use HUD's Performance Outcome Measurement System (POMS). The POMS was developed to enable HUD to collect and aggregate standardized performance data on entitlement funded activities from all entitlement grantees nationwide for use in reporting to Congress on the effectiveness of formula entitlement programs in meeting HUD's strategic objectives.

The 2023 Action Plan outlines the various activities the City proposes to carry out to achieve the federal program objectives required by HUD: provide decent housing; establish and maintain a suitable living environment; and expand economic opportunities. These objectives are combined with three performance outcome categories: availability/accessibility; affordability; and sustainability. The City will undertake the following activities in 2023 to achieve these objectives and outcomes:

Provide Decent Housing

The City will promote affordable housing for low- and moderate-income residents through:

- Rehabilitation and construction of multi-family properties
- Stabilization and preservation of troubled single-family and multi-family properties
- Home modification programs for the elderly and people with disabilities
- Housing counseling services
- Homeownership programs

Establish and Maintain a Suitable Living Environment

The City will make living environments more available, accessible, affordable, and sustainable for low- and moderate-income residents through:

- Supportive services for the homeless
- Supportive services for populations with special needs, including the elderly, people with disabilities and individuals living with HIV/AIDS
- Mental health and crisis intervention services for adults and youth
- Domestic violence services
- Code enforcement

Expand Economic Opportunity

The City will promote economic opportunities for low- and moderate-income residents through:

- Industry-specific and general job training and placement programs

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

As required by HUD, the City submits a Consolidated Annual Performance and Evaluation Report (CAPER) in April of each year. The report details funding expenditures for a given program year and compares actual performance outcomes to those proposed in the Action Plan. The 2022 CAPER can be found at www.cityofchicago.org/grants.

The City continues to demonstrate timeliness in expending grant funds as prescribed by 24 CFR 570.902(a)(1) which measures timeliness by requiring that entitlement grant funds available by the U.S. Treasury was less than 1.5 times the entitlement grant for the current year. The City has also demonstrated compliance with 24CFR 570.200(a) (3), the Overall Benefit Certification which requires that not less than seventy percent of the aggregate of CDBG expenditures be used for activities benefiting low-moderate income constituents.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The citizen participation and stakeholder consultation process are key components of the development of the Action Plan as set forth in Subpart B of 24 CFR Part 91. The City strives to ensure that the Action Plan planning process includes opportunities for public participation, such as public hearings and public comment periods; involvement of affected persons and other concerned citizens; transparency and freedom of access to the proposed Action Plan; and consultation with public and private agencies that provide assisted housing, health services, and fair housing services for children, veterans, youth, elderly, persons with disabilities, persons living with HIV/AIDS, and their families, and due to new regulations, broadband internet providers. To solicit input on the proposed 2023 Action Plan, the City engaged in virtual and in-person public hearings.

Each year, the City prepares an annual budget that accounts for all revenue from taxes and other sources, including those referenced in this Action Plan, and sets forth a plan for how the City intends to utilize those resources over the course of the following year. In the fall, the Mayor's Office and OBM present a balanced budget to City Council. The City Council then holds committee and public hearings on the Mayor's proposed budget and may propose amendments to it. These hearings include opportunities for the public to provide comments on the proposed use of CDBG, ESG, HOME, HOME-CV, HOPWA funds. Once the proposed budget, as amended, is approved by the City Council, it becomes the Annual Appropriation Ordinance.

City departments that administer entitlement grant programs regularly engage with citizen groups, external advocates, and community-based organizations to ensure programs meet the needs of the community. Department staff participates in taskforces, committees, and councils. City departments are in constant dialogue with their non-profit service providers across programs to ensure that programs respond to community needs and follow best practices. City departments engaged various advisory groups in the development of the 2023 Action Plan priorities through these discussions.

The Office of Budget and Management held public hearings to solicit input on the needs and priorities of communities. These meetings were held virtually and in-person and advertised in various languages. The City engaged stakeholders by conducting various activities to assess gaps in service and geographic priorities while also soliciting input on efficient use of funding to fill those needs.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The Draft Action Plan was created without the insight and experience of survivors and victim services providers in Chicago.

The Draft Action Plan should increase housing opportunities and resources for survivors of gender based violence.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments received to date have been accepted and considered in the development of the Action Plan. The City of Chicago is committed to transparency and accountability to all residents. A final summary comments will be included in the appendix of the 2023 Action Plan submitted to HUD.

7. Summary

The City of Chicago's proposed 2023 Action Plan identifies the housing and community development needs of predominantly low-income communities of Chicago. The objective is to target available resources to meet the identified needs to revitalize neighborhoods and improve the quality of life of Chicago residents.

The Action Plan provides a unified vision for community development and housing actions with the primary goals of providing affordable housing and public services, revitalizing neighborhoods, supporting homeless and special needs populations, eliminating slum and blight, and expanding economic development opportunities.

Additionally, the City consistently works with GBV survivors through departments and the Mayor’s Office leads a GBV task force that engages community partners and survivors on a regular basis. This task force informs policies, programs, and partnerships.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The City recognizes that strong collaboration with key stakeholders is vital to ensuring community needs, and in particular, the needs of low-income communities are addressed. Planning for the 2020-2024 Consolidated Plan began with the development and review of several other plans including: 2019-2023 Affordable Housing Plan; Low Income Housing Tax Credits Plan, Chicago's Plan 2.0: A Home for Everyone; Chicago Housing Authority, Plan Forward: Communities that Work; A Plan for Economic Growth and Jobs; Go to 2040; Healthy Chicago 2.0; Healthy Chicago 2025; Chicago Area Unified HIV Plan; and Planning for Progress.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City coordinated between public and private housing providers, private and governmental health organizations, mental health service agencies and others to inform the Consolidated Plan needs assessment and strategic plan. To create other City plans, the City consulted a broad variety of stakeholders, outlined in the following:

City of Chicago 2019-2023 Affordable Housing Plan

The City's 2019-2023 Affordable Housing Plan, "One Chicago: Housing Strategies for a Thriving City", was created by DPD and approved by City Council on December 12, 2018. To implement this plan, the City of Chicago created the new Department of Housing. The One Chicago plan seeks to provide for a more equitable neighborhood landscape, including the support of more affordable housing in gentrifying neighborhoods, more tools to help property owners combat displacement, and more incentives for new housing construction in under-invested neighborhoods.

The plan was developed through a seven-month planning process with the assistance of an Advisory Committee of approximately 120 housing professionals and stakeholders, more than twice as many as for the previous five-year plan. Members of the public also added insight, participating in a public hearing and submitting more than 150 ideas through an online portal. Innovations incorporated into the plan include a three-tiered approach to the housing needs of different neighborhoods, including high-moderate- and lower-cost submarkets.

In 2019 DOH established a new, improved process for the preparation of the Qualified Allocation Plan (QAP), which guides the allocation of federal 9% and 4% Low Income Housing Tax Credits (LIHTC) to create equity for affordable housing projects. Chicago is one of only three municipalities that are authorized to issue these credits. The revised process ensures that creating affordable housing is more

predictable and streamlined for both developers and advocates, and ultimately more impactful in addressing the needs of Chicago's families and neighborhoods.

In 2021 the City released a new QAP, which will allocate over \$61 million in tax credits for 2022 and 2023. The new QAP was informed by the findings of the nation's first-ever Racial Equity Impact Assessment (REIA) of a QAP process. Through this REIA, the City is now able to make better decisions on how, where and to whom we award these tax credits, and the Department of Housing can incorporate a racial equity lens in targeting opportunities for community wealth-building.

Coordinated COVID-19 Response

Since March 2020, DOH has played a key role on Mayor Lightfoot's COVID-19 Response Team, with Commissioner Novara heading up the Emergency Housing Committee that negotiated and secured temporary housing solutions for populations in need, utilizing hotels, YMCAs, and community centers. The Department has been proactive in creating and implementing new programming to aid Chicago renters and affordable housing providers experiencing temporary economic hardships due to the pandemic. In 2021 we launched a new round of Emergency Rental Assistance grants, supported by federal Coronavirus Relief Funds, which will enable 10,000 at-risk households to stay in their homes. In July the City Council allocated an additional \$102 million to extend this program into 2022.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City is actively involved with the Chicago Continuum of Care (CoC), All Chicago Making Homelessness History (All Chicago), which is the CoC's designated Collaborative Applicant, and the Chicago CoC Board of Directors. The CoC Board is a public-private planning body with representatives from local, state, and federal government agencies along with a broad base of constituency groups, including persons with lived experience of homelessness and service providers. The CoC Board is the CoC governing body and makes policy decisions on funding priorities for HUD McKinney-Vento funding and other resources needed to achieve the goals of Chicago's plan to prevent and end homelessness, Plan 2.0, and monitoring the progress of that plan. The Department of Family and Support Services (DFSS), working with its partner agencies, completed Plan 2.0, and along with All Chicago, serves as a lead implementing agency under the direction of the CoC Board.

Plan 2.0 is Chicago's strategic plan to address the needs of persons experiencing homelessness, particularly persons and families with children experiencing chronic homelessness, veterans, and unaccompanied youth, as well as those at risk of homelessness. In 2019, the Continuum of Care adopted the Implementation Structure (IS), formerly known as the Action Agenda, to enact the strategic vision of the CoC. The IS of the CoC refers to the organization of the community's work and goals. The IS aligns the work of the CoC with clearly established objectives and actions needed to prevent and end homelessness. It fosters collaboration and communication while allowing the Continuum to make

targeted decisions and receive collective feedback. The work of the is currently led by All Chicago and includes efforts from Community Lead Agencies, Lines of Actions, Affinity Groups, and People with Lived Experience.

The work of the CoC is managed by two lead project managers from All Chicago. This includes the work of the community's Lead Agencies, the Coc's strategic initiatives reflected in the Lines of Action, and the stakeholder partnerships reflected in Affinity Groups. The entire CoC is guided by the leadership of People with Lived Experience.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Chicago's CoC also helps determine how to allocate ESG funds, develop performance standards and evaluate outcomes, develop funding, and establish policies and procedures for the administration of the Homeless Management and Information System (HMIS). DFSS, with the CoC, established standard performance measures for the program models consistent with Plan 2.0 (inclusive of ESG funded models). These performance standards are reviewed and approved by the CoC Board. Outcomes for City-funded programs are evaluated by DFSS through quarterly reports from each delegate agency. All Chicago, as the CoC's designated HMIS Lead Agency, reviews HMIS data quality performance of all CoC and DFSS programs. DFSS incorporates HMIS compliance into monitoring and funding application review criteria.

Each program model has performance measures that contribute to the broader system performance goals. DFSS has incorporated elements of these performance measures into its scopes of service for homeless programs contracts.

The development of funding, policies and procedures for the administration and operation of HMIS is a function of the CoC Board, which includes representatives from the City of Chicago, including DFSS. The HMIS Committee of the CoC Board develops and updates standard operating procedures for HMIS, the data quality review process, and training and implementation needs, which are reviewed and approved by the full CoC Board.

The City did not exclude any agency types from the consultation process.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	All Chicago	All Chicago serves as the lead implementing agency for Chicago Homelessness Plan 2.0.
One Chicago - Housing Strategies for a Thriving Ci	Chicago Department of Housing	The housing goals for this Consolidated Plan overlap with the City's goals in the five-year housing plan.
Plan Forward - Communities that Work	Chicago Housing Authority	The City referred to the most recent CHA plan in the development of the goals for the public housing section of the Consolidated Plan.
ON TO 2050	Chicago Metropolitan Agency for Planning (CMAP)	The goals for affordable housing and community development in the consolidated plan overlap with CMAP's goal of achieving greater livability through land use and housing.
Chicago's Plan 2.0 - A Home for Everyone/Continuum	Chicago Department of Family and Support Services/All Chicago	All Chicago serves as the lead implementing agency for Chicago's Homelessness Plan 2.0.
A Plan for Economic Growth and Jobs	World Business Chicago	Job training and placement services referenced in the consolidated plan further the future workforce development goals of this plan.
Healthy Chicago 2025	Chicago Department of Public Health	The goals for additional health care services in the consolidated plan overlap with Healthy Chicago's goal to improve systems of care for populations most affected by inequities, particularly behavioral health.

Table 4 – Other local / regional / federal planning efforts

Narrative (optional)

The City of Chicago is engaged in constant consultation with stakeholders through not only the Consolidated Planning process but through all the City plans that make up the Consolidated Plan. Through this 5 Year cycle, the City will continue to engage all available resources in planning and executing project to better serve residents.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

HUD requires entitlement jurisdictions to provide for citizen participation in developing the Annual Action Plan. The City's citizen participation plan largely centers on public hearings, public comment periods, and online surveys to assist in gathering input from the public.

The City of Chicago believes that citizen participation and planning are central to the success of community development efforts. The City is committed to involving its residents in making decisions about how to invest in the future of its neighborhoods. Within the planning process laid out below, citizens can make significant contributions to further enhance the ongoing collaboration between City government and key community-based partners.

It is the policy of the City of Chicago to provide equitable access and encourage meaningful participation from all residents in the city. This includes low-and moderate-income persons, particularly those living in blighted or high poverty neighborhoods, and areas where CDBG funds are proposed to be used in the Consolidated Plan, Annual Action Plans, and Assessment for Fair Housing.

The City also actively encourages participation of minorities or people of color, non-English speaking persons, and persons with differing abilities. Actions to encourage participation shall include widespread outreach and public relations efforts, conducting hearings and meetings in target neighborhoods, translation of notices and other vital documents in languages other than English and language assistance as needed, and providing document in formats accessible to persons with disabilities upon request. The Mayor's Communication Office assesses needs for language translation, but assistance shall also be available upon request.

The City will actively encourage participation of local and regional institutions in the process of developing the Action Plan. Such organizations include but are not limited to the following: Chicago Continuum of Care; business and civic organizations; developers and service providers; philanthropic organizations; and community-based, faith-based, and other nonprofit organizations.

The citizen participation and stakeholder consultation process are key components of the development of the Action Plan. The City strives to ensure that the Action Plan planning process includes opportunities for public participation, such as:

- Public hearings.
- Public comment periods.
- Surveys
- Transparency and freedom of access to the proposed Annual Action Plan,
- Consultation with public and private agencies that provide assisted housing, health services, and fair housing services for children, veterans, youth, elderly, persons with disabilities, persons living with HIV/AIDS, and their families.

In the event of an emergency, the City may be required to amend both the Consolidated Plan, and the Action Plan associated with the year of the emergency. The City will be in close contact with the Department of Housing and Urban Development (HUD), and inform the public of any changes made to this Citizen Participation Plan, or other plans, as necessary. Emergencies can come in different forms, potentially disrupting normal business. The Office of Budget and Management (OBM) will work closely with all local and regional institutions, including broadband internet service providers to ensure a safe and thorough citizen participation process including alternative methods of participation, such as conducting a virtual public hearing, whenever a substantial amendment as defined above is needed.

Public Hearing: The City announced three public hearings during the 2023 Action Planning process to give the public an opportunity to participate and make inputs towards the proposed program for 2023. The public hearing allowed a 30-day public comment period. No comments were received.

Table 6 - Expected Resources – Priority Table

Annual Action Plan
2023

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Matching requirements for HOME were satisfied with local resources including Tax Increment Financing (TIF) funds and write-downs on City-owned vacant land and/or real estate property. ESG matching requirements were satisfied through an Emergency and Transitional Housing Program grant provided by the Illinois Department of Human Services and with corporate funding.

ESG matching requirements were satisfied with corporate funding and the Illinois Department of Human Services Emergency and Transitional Housing Program grant.

While there are no matching requirements for HOPWA, subrecipients leveraged other federal, state, local, and private sources that are used to support program delivery. The majority of HOPWA subrecipients use their leveraged funds to provide supportive services to HOPWA clients and their households.

DFSS Leveraging

In addition to CDBG funding, the City’s human service programming depends on multiple funding sources. These include various federal, state of Illinois and local City funds. DFSS’ Domestic Violence programming leverages Department of Justice funding, state, and city local funds to support its programs. Senior Services relies on multiple funding streams to support services to older adults including funding from the Older Americans Act and the State of Illinois General Revenue Funds. Intensive Case Advocacy and Support (ICAS) services are supported solely by CDBG, while Home Delivered Meals leverages federal Older Americans Act funding, as well as state funding that is passed through the Illinois Department on Aging (IDOA). Workforce Services’ program models including Employment Preparations and Placement, Industry Specific Training and Placement, Transitional Jobs, and Community Re-Entry Support Centers, all rely on CDBG funding. In addition, Community Services Block Grant (CSBG) funding from the Illinois Department of Commerce & Economic Opportunity is used to support the Transitional Jobs programs. Several funding streams support the City’s current plan to address homelessness, Plan 2.0, including but not limited to CDBG, HUD’s Emergency Solutions Grant Program, CSBG, the Illinois Department of Human Services’ Emergency and Transitional Housing Program, and local funding. CSBG also supports the Emergency Food program. Lastly, in 2023 all division at DFSS will be supported by various CARES ACT funding which includes CDBG-CARES, ESG-CARES, CSBG-CARES, and the Coronavirus Relief Fund.

CDPH Leveraging

CDPH has no matching requirements for CDBG or HOPWA funds. However, CDPH receives funding from federal and state sources that compliment CDBG and HOPWA programming. CDPH acts as the administrator for Ryan White Part A funds for the 9 awarded through HRSA (Health Resources and Services Administration) for the 9 county Eligible Metropolitan Area (EMA). The Centers for Disease Control and Prevention (CDC) provide funds that cover a wide variety of activities, including HIV prevention, lead poisoning surveillance, emergency preparedness and violence prevention. State Funds compliment programs in lead poisoning prevention, women, and children's health.

MOPD Leveraging

Through a continued partnership with Meals on Wheels of Chicago, MOPD's Independent Living Program (ILP) can provide meals to a group of people with disabilities that are under 60 which increases available services without increasing cost. ILP seeks to partner with vendors who can and are willing to provide additional services to ILP clients that are beyond the scope of their contract with the City. Vendors of (MOPD) programs are asked to match 10 percent of their contracted amount. This match is usually in the form of administration costs.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City owns more than 8,000 parcels of land zoned for low-density residential use. This inventory has grown in recent years because of foreclosures and abandonments, with holding costs exceeding \$800,000 per year. Past efforts to sell individual parcels were slow and met with limited success. To create a market for these properties and efficiently dispose of them, the City established two new programs recently.

The Large-Lot Residential Program allows building owners to procure multiple adjacent City-owned lots for use as gardens, side yards and other legal uses. This helps create unique housing districts with much larger lots than are available in the rest of the city. The City has hosted multiple rounds of Large Lot sales. The City Lots for Working Families program is a developer incentive which encourages developers to purchase City lots for \$1 each, allowing them to build a mix of market and affordable units.

In 2023 the City will initiate a pilot incentive program that requires the City environmental test, remediate and provide site prep and, utility connects to accommodate the development of an affordable home. In 2023, the pilot is expected to be replicated in as many as 10 community areas. The cost of developing an affordable home often exceeds the market value of the home requiring subsidy to reduce the cost. Completing environmental remediation, right of way work, site work and utility connections enables job creation and reduces these expenses in the development.

The City of Chicago will continue to pursue other available federal, state, and private sources to leverage entitlement grant funding for the proposed community development initiatives in the Consolidated Plan. The City will also contribute a number of local tools and incentives, including the Chicago Affordable Housing Density Bonus, which allows additional square footage to residential developments to exceed the guidelines set in the Chicago Zoning Ordinance in exchange for creating additional affordable housing units, or contributing to the City's Affordable Housing Density Fund (Density Fund). In addition, local funds will be allocated during the 5-year period to support the City's Consolidated Planning priorities.

Table 8 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Entitlement funds are used to develop viable communities by providing safe and affordable housing, suitable living environments, and expanded economic opportunities. Through consultation and citizen participation, the City was able to define priority needs in the community. Following this, goals were set to address those needs. City agencies created project priorities which were thoroughly vetted, and allocation amounts were set.

The greatest obstacle to addressing underserved needs is scarcity of resources. Understanding this obstacle, the City has found innovative ways to serve its citizens by collaborating with all stakeholders and using entitlement funding to meet gaps in public service and housing needs.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Low- and moderate-income families and individuals reside in communities throughout Chicago. Grants and other resources are geographically distributed throughout the city for community development and housing programs. All proposed Action Plan activities are intended to primarily benefit populations that have special needs and citizens with low- and moderate-incomes. Assistance will be directed to areas of the city in which 51 percent or more of households are low- and moderate-income.

Discussion

Households by Population Type

The City projects it will support 438 housing units targeted for persons experiencing homelessness. An additional 874 units will be targeted to seniors, people with disabilities, and people living with HIV/AIDS. Funding for affordable housing for non-homeless, low-income individuals will support 2,817 households.

Households by Program Type

Tenant-based, facility-based, and rapid re-housing assistance funded by HOPWA and ESG will assist approximately 1240 homeless and special needs households. HOME and CDBG funds will support construction and/or rehabilitation of 3,407 housing units for non-homeless, low-income households.

AP-60 Public Housing – 91.220(h)

Introduction

CHA is the primary municipal agency responsible for providing housing assistance to low-income families and individuals in Chicago and its mission is to leverage the power of affordable, decent, safe and stable housing to help communities thrive and low-income families increase their potential for long-term economic success and a sustained high quality of life. In 2000, CHA was designated as a Moving to Work (MTW) agency by HUD, which provides CHA with regulatory and financial flexibility to achieve its mission while also pursuing the statutory objectives of the MTW Program: (1) Increasing housing options for low-income families; (2) Giving incentives to families with children where the head of household is working, seeking to work, or is preparing for work by participating in job training, education programs, or programs that assist people to obtain employment and become self-sufficient; and (3) Reducing costs and achieving greater cost effectiveness in expenditures.

Actions planned during the next year to address the needs to public housing

DOH coordinates directly with the CHA on mixed-income developments, including both new construction and rehabilitations of existing buildings. DOH contributes financing with CDBG and HOME, as well as other sources, to be combined with CHA sources.

During fiscal year 2023, the City currently has eight CHA projects in its pipeline. Including:

1. Parkside 4 Phase 3 aka Parkside 5
2. Legends South A3
3. LeClaire 1A - North
4. Southbridge 1C
5. Lathrop 1D
6. Ogden Living Phase A-2
7. Northtown Village
8. Oak and Larabee

The eight development proposals are targeting closing between Q4 of 2023 and Q4 of 2024.

Together these developments total \$435,797,248 in total development costs and will yield approximately 826 units of housing of which 593 will be affordable.

CHA plans to invest in housing development that will result in the creation of more than 900 housing units, including 284 for CHA residents.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Choose to Own (CTO)

CHA participates in HUD's homeownership voucher program with a program called Choose to Own (CTO), which gives qualified public housing and HCV families with the opportunity to own a home by providing a subsidy used toward the payment of the monthly mortgage, as well as pre- and post-purchase education and counseling. This program has helped more than 700 CHA families make the transition from renting to owning. In 2023, CHA plans to implement a down payment assistance option for the program. CHA projects that an additional 50 families will be able to purchase homes through CTO in 2023.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

This section is not applicable to CHA.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City and its partners, through the Chicago Continuum of Care (CoC) Board of Directors, have made significant progress in implementing Chicago’s original 2003 Plan to End Homelessness (“the Plan”). The three core tenets of the Plan are to:

1. Prevent homelessness whenever possible.
2. Rapidly re-house people when homelessness cannot be prevented; and
3. Provide wraparound services that promote housing stability and self-sufficiency.

The Plan called for a transition of the homeless services system from a shelter-based system, focused on temporary fixes, to a housing-based system emphasizing long-term living solutions for persons experiencing homelessness on the street and in overnight shelters. To that end, Chicago significantly increased interim/transitional and permanent housing resources and reduced the number of temporary shelter beds.

In 2012, stakeholders in Chicago’s Continuum of Care developed an updated set of strategies to prevent and end homelessness. Chicago’s “Plan 2.0” is a broad-ranging, seven-year action plan (2013-2019) that reaffirms and builds on the core strategies outlined in the first plan – prevention, housing first and wraparound services – and identifies seven new strategies for improving and coordinating access to housing and services:

- 1) The Crisis Response System: Create an effective crisis response system that prevents homelessness whenever possible and rapidly returns people who experience homelessness to stable housing.
- 2) Access to Stable and Affordable Housing: Create and maintain stable and affordable housing for households who are experiencing or at risk of homelessness.
- 3) Youth Homelessness: Create a comprehensive, developmentally appropriate menu of services for youth who experience homelessness in order to prevent homeless youth from becoming the next generation of homeless adults.
- 4) Employment: Increase meaningful and sustainable employment opportunities for people experiencing or most at risk of homelessness.
- 5) Advocacy and Civic Engagement: Engage all of Chicago in a robust plan that creates a path to securing a home for everyone in our community.
- 6) Cross-Systems Integration: Work across public and private systems of care to ensure ending homelessness is a shared priority.
- 7) Capacity Building: Ensure a strong homeless assistance system capable of implementing Plan 2.0 goals and HEARTH Act performance standards.

In 2018, the Chicago CoC launched the Action Agenda, a strategy and work plan for the CoC. All Chicago and DFSS to be more action-oriented in our work to end homelessness. The Action Agenda encompasses

four key strategies to strengthen and focus the work:

1. Organize. Create an infrastructure of working groups focused on actions that advance the goals of Plan 2.0 and include everyone's voice at the table.
2. Empower. Empower All Chicago as the backbone organization leading the CoC to achieve the goals of Plan 2.0.
3. Elevate. The CoC Board approves policies recommended by working groups and aligns the resources and activities to support policies.
4. Amplify. Build political will to align leadership, set concrete targets, and expand housing inventory.

Several funding streams support the Plan 2.0 at the City level (CDBG, ESG, Community Services Block Grant, Illinois Department of Human Services' Emergency and Transitional Housing Program, and Corporate funding). CDBG funds support the overnight and interim shelter, outreach and engagement, specialized services, and permanent supportive housing models.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Chicago will provide an array of services to engage people experiencing homelessness and support them in moving toward stable and permanent housing. Engagement of unsheltered persons is coordinated through the In March 2016, the City announced the launch of a citywide task force dedicated to addressing and reducing homelessness in Chicago. The Interagency Task Force to Reduce Homelessness, a citywide task force dedicated to addressing and reducing homelessness in Chicago. The Task Force (Task Force) focuses on improved coordination between city departments and sister agencies, increased efficiencies in service delivery, and identifying additional resources to devote to these efforts.

In 2019, the Task Force launched an Encampment Strategy, building off a 2018 pilot. The multi-agency encampment response initiative is a mobile initiative that moves throughout the city, as needed. The continued goal for 2023 is to infuse encampments with social service and medical intervention to work toward stabilizing the lives of people experiencing homelessness, build trusting relationships, display a united front between city and delegate agencies in outreach efforts, and reduce the size of encampments for health and safety reasons. The strategy is staffed by City, sister, and community partner agencies offering services to persons affected by street homelessness throughout Chicago.

Centralized Shelter Intake, Transportation and Crisis Response

The City, through a delegate agency, provides targeted outreach and engagement that is delivered 24 hours a day, seven days a week, 365 days a year through mobile outreach teams that are dispatched to

respond to non-life-threatening requests for assistance through 311. These include requests for shelter placement and transportation, well-being checks, delivery of emergency food provisions, crisis assistance for victims of fire and other disasters, and extreme weather response, such as transportation of clients to City-operated Warming and Cooling Centers. The Mobile Outreach Services Team is responsible for participating in all mass care activities as directed by the City of Chicago Office of Emergency Management and Communications (OEMC) during citywide emergencies that may result in large scale evacuations requiring temporary emergency shelter.

Planned Outcomes 2023

Centralized Shelter Intake, Transportation and Crisis Response: 8,000 individuals to be served

Engagement Services

The City utilizes CDBG funds for targeted outreach and engagement. engagement services, including street outreach teams and drop-in centers. Street outreach provides a mobile connection to services and benefits for people experiencing unsheltered homeless, including during targeted interventions as part of the City's encampment strategy. Drop-in centers provide indoor spaces open during the day where people experiencing homelessness can access case management, resources (e.g., food, showers, laundry), and connection to other services. Both outreach and drop-in providers assess client needs and support them in connecting to housing resources through the Coordinated Entry System, with the goal of increasing the number of individuals who are assessed, accept services, and successfully move to more stable housing.

Planned Outcomes 2023

Engagement Services: 8,100 individuals served

Addressing the emergency shelter and transitional housing needs of homeless persons

Chicago will continue to sustain an array of shelter programs to meet the needs of a diverse group of households in need of shelter.

Shelter

In coordination with the Chicago CoC, DFSS is the primary funder of shelter for homeless individuals and families in Chicago. DFSS funds shelters that specialize in serving families with children, single men, single women, youth (age 18-24), and survivors of domestic violence. Shelters provide different services at different intensity levels depending on the population served, but all shelters provide a safe environment and meet basic needs (meals or kitchen access, showers and toiletries, limited storage), engage in diversion efforts, provide connection to housing options by supporting clients in completing the CES assessment and identifying and navigating other housing options, and provide access to case management to ensure clients are linked to services and community resources that will help clients obtain or maintain housing.

Planned Outcomes: 2023

Shelter Programs: 10,500 Individuals Served

Emergency Homeless Assessment and Response Center (EHAC)

Families experiencing homelessness are connected to the Emergency Homeless Assessment and Response Center (EHARC), operated by The Salvation Army, as the delegate agency, will, that provides 24-hour centralized intake, assessment, triage, and temporary shelter services to homeless families at a new facility which the Salvation Army will construct with its own funds – the EHARC. The EHARC serves as a hub and access point as we implement Chicago’s new coordinated entry system for homeless services. The coordinated entry system is part of the implementation of “Plan 2.0: A Home for Everyone”. where families receive an initial assessment, including eligibility for diversion and prevention services. The EHARC greatly expands the city’s ability to divert, triage, or place households in more stable shelter programs as quickly as possible.

Planned Outcomes: 2023

750 Individuals served

In coordination with the Chicago CoC, DFSS is the primary funder of emergency and interim housing for homeless individuals and families in Chicago. Both types of temporary housing options focus on assessing the service needs of residents and either making appropriate referrals to other providers or offering supportive services at the residential program. Additionally, DFSS funds supportive services that move persons who are currently experiencing homelessness toward housing stability and self-sufficiency. Following are activities that address the shelter and transitional housing needs of persons experiencing homelessness:

Homeless Shelter Food Supply

As part of its emergency food program, DFSS provides fresh fruits and vegetables to shelters throughout the city to feed people who are experiencing homelessness. Approximately, 60 shelters located within the city participate.

Planned Outcomes 2023

Homeless Shelter Food Supply: (Fruits & Vegetables to Shelters) – Approximately 60 Shelters served; 492,800 pounds delivered; and 13,000 individuals served.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Chicago has a Coordinated Entry System (CES), fully implemented as of 2017, that features a strong collaborative effort from crisis response and housing providers to move people out of homelessness and into a variety of Continuum of Care housing interventions based on system-wide prioritization standards. Outreach, shelter, and drop-in center staff connect households to a CES Skilled Assessor either within their own organization or through an in-person or virtual access point to complete a standardized assessment tool.

The Chicago Low-Income Housing Trust Fund has committed \$8 million annually in rental assistance for more than 1,300 families and individuals. Of that total, nearly 600 units are targeted toward individuals and families experiencing long-term homelessness. Plan 2.0 identifies strategies to create access to affordable housing units through development and subsidy options including: working within to increase the priority and access to housing for those in need of supportive housing and working with public and community partners to develop new affordable housing opportunities.

DFSS uses CDBG, ESG, and local funding sources to support several programs for individuals and families experiencing homelessness seeking a permanent and stable housing situation. Supported activities include:

Rapid Re-Housing

Chicago offers a rapid re-housing with ESG funds for tenant-based rental assistance, and housing relocation and stabilization services. Tenant-based rental assistance will be used to help households who have already fallen into homelessness be re-housed as quickly as possible by providing a security deposit and/or short-term rent assistance until sufficient income or a permanent tenant-based subsidy is in place.

Planned Outcomes 2023

200 individuals served

Permanent Supportive Housing Services/Safe Havens

These services are designed to help clients maintain residential stability in permanent supportive housing. Permanent supportive housing programs provide long-term subsidized housing for adult individuals, families, and youth (age 18-25) who are experiencing homelessness. Clients may have serious and persistent disabilities such as mental illness, substance use disorders, or HIV/AIDS, which often contribute to chronic homelessness. The Safe Haven program is an open-stay, on-demand, and service-enriched housing program for persons with mental illness or dual disorders (mental illness and substance use disorder) who are difficult to engage in services. This program offers a safe, non-intrusive living environment in which skilled staff members work to engage persons in housing and needed services. In Chicago, Safe Haven beds provide housing with no time limits.

Planned Outcomes 2023

1,500 individuals served

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Chicago's CoC, in coordination with DFSS, emphasizes systems integration efforts that focus on appropriate discharge planning for special populations. DFSS addresses a range of human services needs for low-income individuals and families in Chicago communities through coordinated homeless prevention resources and six DFSS Community Services Centers. These services contribute to homelessness prevention for low-income households.

Homelessness Prevention

The City supports the Homeless Prevention Center (HPCC) to conduct initial evaluations and referrals to available prevention assistance and delegate agencies to provide homeless prevention supportive services. The HPCC is Chicago's prevention infrastructure to assess and refer for public and private resources, including the City of Chicago's Rental Assistance Program, which provides short-term financial assistance to low-income individuals at risk of eviction and homelessness. The HPCC is a primary point of entry for homelessness prevention resources and is also a way that people seeking eligibility and referral for rapid rehousing assistance can complete an initial evaluation. Each call receives a screening and evaluation for eligibility and all information is entered into the Homeless Management Information System (HMIS). HPCC makes electronic referrals through HMIS for continuous case management. DFSS funds partner agencies to provide homeless prevention supportive services targeted to individuals or families that are at immediate risk of homelessness. Services may include, but are not limited to, provision of financial assistance, provision of legal representation for tenants facing evictions and provision of housing stabilization or relocation assistance.

Planned Outcomes 2023

800 individuals served with ESG rental assistance; 375 individuals served with homelessness prevention supportive services; 10,700 individuals served by the Homelessness Prevention Call Center

Community Service Centers

Direct services are offered through DFSS Community Service Centers where transportation, public benefit screening/enrollment, and emergency rental and utility assistance are provided. Referrals are also available for housing, employment, emergency food, education, childcare, and health services. At the Centers, DFSS staff work with clients to address their needs (immediate, short-term, and long-term) to achieve self-sufficiency. Direct services and programs are co-located at all six Community Service Centers. Domestic Violence advocates (funded by leveraging state dollars) are at four of the six Community Service Centers 4 days a week. The centers also have staff that are 40-hour trained that can provide services when necessary. Workforce services are co-located at the DFSS King Community Service

Center with the Chicago Cook Workforce Partnership (also known as Mid-South). The DFSS Central West Regional Senior Center also houses a DFSS Veterans Services staff person that helps veterans access a variety of benefit programs.

Planned Outcomes 2023

30,000 individuals will be served

Emergency Food Assistance for At-Risk Populations

The City provides Emergency Food Assistance for At-Risk Populations to increase the availability and accessibility of healthy and fresh food options to help at-risk residents meet their nutritional needs.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

This section describes how the City will work to reduce barriers to affordable housing in Chicago.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Often public policies created to revitalize communities and increase economic development have negative impacts on affordable housing. In response, the City has implemented a variety of affordable housing programs and incentives.

Affordable Requirements Ordinance (ARO)

The Affordable Requirements Ordinance (ARO) applies to residential developments of 10 or more units and is triggered whenever a development project receives a zoning change, City land or financial assistance, or is in a downtown Planned Development and includes a residential component containing ten or more units.

The ARO requires developers to either set aside a percentage of residential units as affordable housing or contribute a fixed fee (depending on the location and type of development) per required unit to the City's Affordable Housing Opportunity Fund. Units built under the ARO are required to remain affordable over time. Some units have recapture mortgages to regulate their long-term affordability. Other units are targeted for the Chicago Community Land Trust (CCLT), which was created in 2006 to address the increasingly limited supply of funding for affordable housing. The goal of the Land Trust is to preserve the long-term affordability of homes created through City programs and maintain a permanent pool of homeownership opportunities for working families. The CCLT is a partner in the ownership process, giving homeowners access to many of the benefits of traditional ownership, along with a network of support to help ensure their ongoing success.

The ARO, originally adopted in 2007, requires residential developments that receive a zoning change, financial assistance or land from the City to provide a percentage of units at affordable prices. Previously revised in 2015, the ordinance applies to developments of ten or more units and requires that developers make available 10% of their units at affordable prices or pay in-lieu fees that DOH earmarks for affordable housing citywide. Rental units must be affordable to households earning up to 60 percent of AMI; for-sale units must be below 100% of AMI.

In 2017, the ARO established two special pilot areas in reaction to residents' concerns regarding increasing housing costs in traditionally lower-cost neighborhoods seeing increased attention and

investment. These two pilot areas, the Near North/Near West and the Milwaukee Corridor, encompass large swaths of neighborhoods in the City identified as in need of additional safeguards for low to moderate income residents.

The Near North/Near West Pilot area is divided into two sections. The Near North area increases the affordability percentage of the 2015 ARO from 10 to 20 percent, though the first 10 percent of for-sale units may be built as rental units. In the Near West area, the affordability percentage of the 2015 ARO is increased from 10 to 15 percent. Both zones require that the first 10 percent of units are located on-site or within two miles of the project location, and within the pilot area or within a higher income ARO zone for households at 60 percent AMI. The additional units required may be built anywhere within the Pilot area up to 100 percent AMI. There is no in-lieu fee option for either of the two pilot areas.

In the Milwaukee Corridor Pilot, the ARO's affordability percentage is increased from 10 to 15 percent, if units are on-site, and from 10 to 20 percent if they are off-site. Off-site units must be located within the pilot area. Prices for rental units are set at 60 percent AMI, but tenants can earn up to 80 percent AMI to lease.

AP-85 Other Actions – 91.220(k)

Introduction:

This section describes the planned actions the City will carry out to meet the strategies identified below.

Actions planned to address obstacles to meeting underserved needs

The City has established a number of policy objectives and strategic goals in order to address obstacles in meeting underserved housing needs:

- Supporting Single Room Occupancy (SRO) and family housing in Chicago by developing, rehabilitating, or arranging special financing for properties in target areas where shelter programs that also offer support services and job creation opportunities can be closely linked.
- Developing short- and medium-term subsidy assistance for individuals that enter the homeless system in order to transition them back as quickly as possible to permanent affordable housing.
- Supporting the coordination of outreach and housing location through the Coordinated Entry System for homeless resources.
- Focusing resources to support housing for households at or below 30 percent of AMI.
- Supporting the not-for-profit community, notably with the help of Supportive Housing Program (SHP) funding, in the provision of supportive services that aid in and help overcome obstacles to moving from homelessness or near homelessness to self-sufficiency.
- Continuing outreach with sister agencies and outside sources to fund ongoing needs for accessible housing modification within the city of Chicago.

The Department of Housing (DOH) continually reassesses its policies and makes adjustments in response to changing market conditions and community needs. To keep pace with the growing gap between median household incomes and the cost of single-family housing, the City since 2016 has expanded its homebuyer assistance efforts through new programs that provide purchase price assistance to prospective home buyers with corporate funds.

But in 2020 the pandemic brought growing uncertainty in housing markets, taking a toll on the production and preservation of units as well as our homebuyer initiatives that incentivize acquisition and rehab. At the same time, safety concerns forced our home improvement and repair programs to shut down. Multi-family closings were delayed, and programs such as the Troubled Buildings Initiative that work through the courts were brought nearly to a standstill. As a result of these conditions, we have redirected our focus on creating and implementing initiatives to protect affordable housing across the city and help stabilize the lives of struggling Chicagoans in the face of job cuts and the real possibility of losing their homes. Even as health concerns and market disruptions brought many of our established programs to a halt, the City has stepped up to provide millions of dollars in direct cash assistance to prevent thousands of families from losing their homes. In February the City Council approved the use of \$80 million in new federal COVID relief funds that will enable a third round of grants under our

Emergency Rental Assistance Program.

While it does not directly provide housing or fund housing developments, the Mayor's Office of People with Disabilities (MOPD) advocates for the development of and access to affordable and accessible housing for people with disabilities. MOPD also continues to make efforts to correct policies that impede people with disabilities from receiving affordable housing. This is a multi-faceted approach that includes providing direct services, education, and recommendations for systematic and policy changes. MOPD discourages the use of nursing homes and institutions as housing alternatives for people with disabilities and promotes integrated housing for people with disabilities.

Actions planned to foster and maintain affordable housing

New Partnership between (DOH) and (MOPD)

New partnership between the Department of Housing (DOH) and the Mayor's Office for People with Disabilities to service Ramp Up waiting list clients through the Home Modification program utilizing a portion of the Ramp Up funding previously allocated to UCP Seguin. The Department of Housing has historically partnered with UCP Seguin of Greater Chicago (UCP) to implement Ramp Up, a subset of the Small Accessible Repairs for Seniors (SARFS) program. Over the past three fiscal years (2019-2021), UCP has received almost \$1.5 million in funding via Ramp Up to provide wooden ramps for low-income mobility-impaired Chicago residents over the age of 60. The City is quickly working through the Ramp Up program wait list and increase the percentage of senior residents receiving services, the SARFS program proposes diverting a portion of the funding allocated for the Ramp Up program from UCP over to the Mayor's Office for People with Disabilities. The funding will establish a partnership with the Home Modification Program (Home Mod) to take on building lifts for residents who have applied to the Ramp Up program but are not eligible for a ramp installation, starting with those who have been on the wait list.

The bulk of the City's housing resources, especially federal dollars, are specifically targeted to affordable rental housing. Some government-assisted buildings with expiring use restrictions and project-based Section 8 contracts are stable, while others may be at risk due to strengthening markets and other concerns. DPD will continue to work with owners, community groups, and The Preservation Compact which brings together leaders from the public, private, and non-profit sectors to develop strategies to increase the supply of affordable rental housing in Chicago and to monitor and coordinate preservation efforts for these properties. The City does not use CDBG to fund the new construction of affordable housing; however, HOME funds are critical to leveraging additional resources such as Low-Income Housing Tax Credits through the City and the State.

One of the most efficient ways to provide affordable housing is to improve and preserve existing buildings. The City will continue to support programs such as the Troubled Buildings Initiative, the Energy Savers Fund, the Multi-Unit Affordability through Upfront Investment (MAUI) program, the Tax Increment Financing-Neighborhood Improvement Program (TIF-NIP), and the TIF Purchase Rehab

Program. The City supports proposed tax incentives to encourage owners to rehabilitate and retrofit rental buildings while keeping units affordable.

In March 2021, DOH completed a pioneering Racial Equity Impact Assessment (REIA) to inform the City's process for allocating Low Income Housing Tax Credits and enable us to incorporate a racial equity lens in targeting investments. This REIA will inform decisions on how, where and to whom the City awards these tax credits, and enable DOH to incorporate a racial equity lens in targeting opportunities for community wealth-building. Following the REIA, DOH released the 2021 Qualified Allocation Plan, created through a revised process that featured unprecedented transparency to guide developers apply for credits based on priority locations, building types and uses, and affordability levels. Discussions with impacted groups spotlighted barriers to participation by minority developers in LIHTC projects and identified areas for improvement in project characteristics and management. The 2021 QAP, which will allocate over \$61 million in tax credits for 2022 and 2023, incorporates these and other recommendations from the REIA process.

Actions planned to reduce lead-based paint hazards

The City will continue to fund the Department of Public Health's (CDPH) Childhood Lead Poisoning Prevention Program. The mission of the program is to prevent lead poisoning by maximizing the availability of affordable, lead-safe housing in the City. Project activities include:

- Ensuring at-risk children are screened for lead poisoning
- Providing case management services for lead-poisoned children
- Inspecting the homes of lead-poisoned children for lead-hazards
- Ensuring that property owners properly remediate lead hazards
- Referring non-compliant property owners to court
- Providing education and training on lead, lead-poisoning prevention, and lead-safe work practices
- Securing funding for lead abatement for those who otherwise could not afford to do so

Environmental Inspection and Enforcement

In 2021, the CDPH Lead Poisoning Prevention Program continued to ensure the homes (or other locations where time was spent) of children with elevated blood lead level (EBL) were inspected for lead hazards, and these hazards were remediated. A total of 456 homes were inspected. Following an initial inspection and assessment for lead hazards, re-inspections occurred to ensure the homes were properly maintained or the required remediation was being done. Data for this period indicates that some 4251 re-inspections took place. The final step is to ensure that the home is cleared of the hazard; in 2021, 229 homes were cleared. If property owners did not or were unable to remediate the hazard, they are referred to court and forced to come into compliance.

Inspection and Enforcement

The program continued to ensure the homes (or other locations where children may spend time) of children with lead poisoning were inspected for lead hazards, and that these hazards were remediated. Following an initial inspection and assessment for lead hazards, re-inspections occurred to ensure the homes were properly maintained or the required remediation was done.

Chicago's lead service lines are a legacy issue that need to start meaningfully being confronted by moving in the right direction in a responsible way. The new Lead Service Line Replacement Program stands as an equity-forward approach to providing residents the support they need, all while providing a foundation to continuously building on our commitment to addressing this important issue for the long term. Using CDBG funding, the (DWM) will replace lead service lines in low-income homes.

Actions planned to reduce the number of poverty-level families

The City is dedicated to supporting a continuum of coordinated services to enhance the lives of Chicago residents, particularly those most in need, from birth through the senior years. The City works to promote the independence and well-being of individuals, support families and strengthen neighborhoods by providing direct assistance and administering resources to a network of community-based organizations, social service providers and institutions. The City will continue to use CDBG funding to provide services for low-income residents with the objective of providing basic needs and improving their quality of life.

CDBG as well as Community Services Block Grant (CSBG) and other funding sources are used to support a human services system that addresses the critical and emergency human services needs of low-income persons and families. The goal of the human services system is to help individuals and households access services that support positive outcomes that promote and help maintain self-sufficiency. Service programs are tailored to meet immediate, short-term, or long-term needs.

CDBG programs managed by CDPH, including mental health, lead poisoning abatement, violence prevention and STI prevention, along with HOPWA, are all focused in community areas with high hardship index numbers, which generally indicates that they are low-income communities. Additional programs managed by CDPH function to reduce poverty in those communities through a variety of means, including providing: low or no cost health care; offering support services such as transportation and housing assistance; and improving neighborhood environmental conditions.

Actions planned to develop institutional structure

Community-based nonprofit organizations and community development corporations have made major contributions to neighborhood stability and growth, often by managing comprehensive, multi-strategy efforts that address not only housing development, but safety, education, health, job skills and retail development. These established partners help implement housing-related programs and strategies that reflect neighborhood needs and culture. The City will continue to encourage private support of these

organizations and provide direct support by funding a wide-ranging network of citywide and community-based delegate agencies, as resources allow. Examples of the partnerships are highlighted below.

- Chicago Advisory Council on Aging - AAA is responsible for a wide range of functions related to assisting older persons in leading independent, meaningful and dignified lives in their own homes and communities as long as possible.
- Continuum of Care Coordination -The Board of Directors is a public-private planning body with representatives from local, state and federal government agencies and a broad base of constituency groups, including persons with lived homelessness experience.
- Chicago Cook Workforce Partnership - The Chicago Cook Workforce Partnership is an independent 501(c)3 nonprofit organization led by board and business leaders.
- Chicago Area HIV Integrated Services Council (CAHISC) - The Council integrates the mandated HIV Prevention Planning Group and Ryan White Part A Planning Council and includes the HIV Housing Program.

Actions planned to enhance coordination between public and private housing and social service agencies

Many City departments have a hand in creating strong, healthy housing markets, and DPD will preserve and strengthen its relationships and coordinate activities with its sister agencies and other organizations that administer federal funds. This communication and coordination extend to private-sector partners, community-based organizations and agencies that connect residents to affordable and supportive housing. DPD will continue to participate on the Interagency Council of the Preservation Compact to collaborate on the preservation of individual properties, and to create more consistent and streamlined processes across city, state, and federal agencies. DPD also is working hand-in-hand with CHA to create additional units in support of CHA's Plan Forward, through the application of a variety of resources including HOME and CDBG funds, tax credits, bonds, and City land.

DFSS strengthens coordination between public and private housing and social service agencies through the Continuum of Care committee structure and under the direction of Chicago's Plan 2.0. DFSS partners with City sister agencies to support their plans and to operationalize strategies under Plan 2.0. DFSS leads an interagency task force which brings together City departments and sister agencies that touch the issue of homelessness. Through this task force, the City departments work together to ensure funding efficiencies and to expand permanent and affordable housing for vulnerable Chicagoans. DPD, through the Chicago Low Income Housing Trust Fund, supports Plan 2.0 by providing rental assistance for nearly 1,480 families or individuals previously experiencing homelessness, or those who have been in danger of becoming homeless. In addition, DPD's current multi-family rental housing pipeline combined with DFSS's Flexible Housing Pool has created 313 new or rehabbed units of supportive housing.

The City Council approved Mayor Lightfoot's Health in All Policies (HiAP) resolution in March of 2016.

Since that time, CDPH has convened all other City departments and sister agencies as the HiAP Task Force to consider and make recommendations to address the health impacts of how the City deploys resources, operates programs, and services, and makes policy. The Task Force's final report will be issued in July of 2017, and CDPH will continue working with City partners to operationalize these recommendations in the coming years. Through Healthy Chicago 2.0, CDPH also coordinates the activities of dozens of other agencies involved in the public health system, ensuring more efficient use of resources to improve community conditions, create better jobs, and mitigate health problems.

MOPD works with other City departments and agencies to implement policy and programmatic changes that will help ensure the availability of accessible and affordable housing for people with disabilities.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

This section describes HUD-specific program requirements for the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for People with AIDS (HOPWA) programs.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	70.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Chicago invests HOME funds as interest bearing loans, non-interest bearing loans, interest subsidies, deferred payment loans, grants, or other forms of assistance consistent with the purposes of the HOME requirements. The City of Chicago establishes the terms of assistance for each project funded through a regulatory agreement subject to the HOME requirements.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

For Resale of Affordable Units with a recapture agreement, the homeowner will execute a HOME Agreement and a separate HOME Recapture Mortgage in favor of the City to secure the HOME Funds Recapture Amount. Only the direct subsidy to the homebuyer will be subject to recapture, the amount of which will be determined by the DOH Finance Division in accordance with the recorded Mortgage, Security and Recapture Agreement (MSRA) and prorated accordingly. The type and value of capital improvements made to the affordable unit will be determined by the "Market Rate" appraisal. The City's recapture amount will be limited to the net proceeds available at the closing of the transferred unit.

For Resale of Affordable Units with a resale agreement, the homeowner is required to contact DOH to request resale pre-approval of their affordable unit before accepting a real estate contract for sale. The resale request should include all pertinent details and hardships the City should consider in making a determination. A copy of the recorded Jr. Mortgage, Security MSRA document(s) or the "Deed Restrictions" related to the City lien(s), recorded after the initial purchase, are reviewed in detail to determine the funding source of the subsidies and the specific remedies stated in the owner's agreement with the City.

The resale price of the property is calculated by DOH and provided to the owner for use in marketing the unit. The special sales conditions, and the requirement for the buyer to sign a MSRA agreement with the City, must also be stated in writing by the owner's realtor for sale listing. The buyer of the affordable resale unit is required to submit a complete application to DOH to determine affordability not to exceed 33 percent of housing ratios. DOH will consider a higher housing ratio depending on mitigating factors such as not having other debt or the leveraging of additional private or public grants. The household income eligibility of the affordable buyer will range between 60 percent and 80 percent of AMI. A MSRA would be issued to be signed by the new buyer and a release would be issued for the current owner after the new MSRA is signed at the time of transfer of the affordable unit. The type and value of capital improvements made to the affordable unit will be determined by an appraisal taking into consideration the affordable price of

the unit.

At this time the City does not fund homebuyer programming; should this change the City will coordinate with HUD to review and approve resale/recapture terms accordingly.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Resale of Affordable units in the Chicago Community Land Trust (CCLT): Concurrent with the execution of the Restrictive Covenant, the Homeowner is executing a HOME Agreement and a separate HOME Recapture Mortgage in favor of the City to secure the HOME Funds Recapture Amount. The CCLT and the Homeowner acknowledge and agree that the Restrictive Covenant is subordinate to the HOME Agreement and HOME Recapture Mortgage and that, in the event of any conflict between the terms and conditions of the HOME Agreement or HOME Recapture Mortgage and the terms and conditions of this Restrictive Covenant, the terms and conditions of the HOME Agreement and HOME Recapture Mortgage shall govern and control.

Homeowners are required to contact DOH to request resale pre-approval of their affordable unit before accepting a real estate contract for sale. The resale request should include all pertinent details and hardships the City should consider in order to make a determination.

Regarding capital improvements to CCLT units, DOH does not assign value to specific capital improvements and will follow an appraisal-based formula because the value of the capital improvement will likely be reflected in the appraised value of the unit. In short, homeowners receive a percentage (typically 20%) of any market increase the property has seen since they purchased it.

At this time the City does not fund homebuyer programming; should this change the City will coordinate with HUD to review and approve resale/recapture terms accordingly.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

DOH's Multi-Family Loan Policies and Procedures shall be utilized to refinance debt on multi-family rental projects, as appropriate. DOH underwriting policies and procedures are designed to guide applicants seeking multi-family loan funds to create or retain affordable housing. The City works to meet all federal and local subsidy standards and best practices through layering reviews. For example, DOH guidelines include acceptable debt coverage ratios, developer fee limits, contingency limits, general contractor's overhead, profit, and general conditions limits, as well as rent and income escalation rates.

5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)).
6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)).
7. If applicable, a description of any preference or limitation for rental housing projects. (See 24 CFR 92.253(d)(3) and CFR 91.220(l)(2)(vii)). Note: Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a).

Emergency Solutions Grant (ESG) Reference 91.220(l)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

The City has included written standards for providing ESG assistance as an attachment to the 2023 Annual Action Plan.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

Chicago's Coordinated Entry System was fully implemented for individuals, families and youth in 2017. Mobile outreach teams engage and assess individuals and families on the street who may not have access to the system's entry points: community centers, Homeless Prevention Call Center, shelters and designated CES access points. Access points are accessible to anyone seeking assistance throughout Chicago and do not discriminate based on a person's race, color, national origin, religion,

sex, age, familial status, disability, or those who are least likely to complete a CES Housing Assessment in the absence of special outreach. Currently, Chicago has 5 designated youth (ages 18-24) access points. Chicago also has 3 access points for minors (under the age of 18) located at Comprehensive Community Based Youth Services (CCBYS) funded agencies, and 4 access points for households over 25 and older. Access points are always available by phone and are geographically located on the North, West, and South sides of the city.

The CES standardized housing assessment integrates non-housing resources and uses a progressive assessment to determine needs for diversion and prevention resources. For prioritization, the CES utilizes Vulnerability Index (VI) tools for individuals, families and youth. Households may be referred to homelessness prevention assistance through the Homeless Prevention Call Center or DFSS Community Service Centers if indicated in the diversion screening. The CoC follows system wide prioritization standards for housing matches and generally higher VI scores and chronic homelessness status are the indicators for PSH, while moderate to lower VI scores are indicators for rapid re-housing.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

DFSS issues a request for proposal at a minimum of every two years for all its homeless services, including those funded through ESG and CDBG. These services include emergency and interim shelter, outreach and engagement, permanent supportive housing, rapid rehousing and rental assistance program coordination. Applications are evaluated by a committee of DFSS staff and external partners who are local experts in these program areas. DFSS utilizes standard selection criteria in its RFPs. Grants are awarded for a two-year period, with an option to extend for up to two years. The extension option is contingent upon successful performance of the program and services provided, and upon availability of funds. DFSS advertises funding opportunities through local newspapers, notices to CoC members through All Chicago, and by posting on the DFSS website.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City of Chicago distributes the annual Action Plan and any substantial amendments to the Chicago CoC Board of Directors. As required by the CoC governance charter, four members of the CoC Board are persons with lived experience of homelessness and DFSS, as the ESG grantee, has a seat on the Board. All Chicago also distributes the Action Plan and substantial amendments to its nearly 600 members and stakeholders, which includes a substantial number of persons with lived homelessness experience. Comments are solicited through the public comment process noted in this Action Plan.

5. Describe performance standards for evaluating ESG.

Performance measures for ESG activities by program model, specific sub-populations, and/or types of delivery are listed below:

Outreach and Engagement (Basic and Specialized)

Basic:

- Percentage and number of encounters resulting in completed CES assessments.
- Percentage and number of enrolled participants engaged with case management services.
- Percentage and number of enrolled participants who exit to more stable housing (family, friends, longer-term shelter/housing programs, or permanent housing).
- For Housing System Navigator only: percentage of enrolled participants permanently housed.

In addition, a set of more specific indicators and associated targets for these measures that are appropriate to specific sub-populations and types of delivery (listed below) were established by the CoC for these types of programs. Within this framework, DFSS is focused on continuous improvement against these metrics in pursuit of meeting or exceeding those targets over time. We are committed to working with delegate agencies to monitor performance against these indicators, including establishing relevant baselines or benchmarks and sharing data with delegate agencies to assess and understand our progress.

Emergency Shelter (Adult/Youth)

- Percent receiving needs assessment.
- Percent of assessed participants connect to supportive services at drop-in centers or other community.

Youth Shelter

- Percent participate in leadership development and community building activities.

Rapid Re-Housing

- Percent of households enrolled in RRH that exit to permanent housing.
- Percent of households enrolled in RRH that maintain or increase income (employment income and/or benefits)

Grantee Unique Appendices

Written standards for providing ESG assistance

Standard policies and procedures for evaluating individuals' and families' eligibility for assistance under ESG;

1. DFSS utilizes ESG guidelines for program eligibility policies. Households must meet homeless definition requirements for the program type (literal homelessness for shelter, outreach and rapid re-housing and imminent risk of homelessness for prevention), income requirements (for rapid re-housing and prevention) and ability to identify subsequent housing options without assistance (for all ESG programs).
2. DFSS requires matches for ESG RRH assistance are pulled from the Coordinated Entry System (CES). RRH providers confirm ESG eligibility at the time of referral. This assessment will determine income eligibility based on area median income, current living situation, and ability to obtain subsequent housing options without assistance.
3. All assessed households will affirm the information provided and authorize the sharing of information between agencies for coordination of referrals.

Standards for targeting and providing essential services related to street outreach;

DFSS supports street outreach through the operation of a city-staffed homeless outreach team and with funding for delegate agency street outreach contracts. DFSS and street outreach providers have worked to establish targeting procedures and will continue to develop this area in 2016. Street outreach and essential services are targeted in the following way:

1. Response to 311, police, aldermanic, or other community concerns about well-being of individuals in specific geographic locations. Through coordination with Chicago's Coordinated Entry System (CES), the Center for Housing and Health serves as the Outreach Coordinator for CES and ensures that individuals not currently engaged with outreach providers and prioritized for housing are assigned to specific outreach teams.
2. Delegate agencies conduct street outreach in geographic areas specified in scopes of service and provide ongoing essential services to those that they engage through that process.

Policies and procedures for admission, diversion, referral and discharge by emergency shelters assisted under ESG, including standards regarding length of stay, if any, and safeguards to meet the safety and shelter needs of special populations, e.g., victims of domestic violence, dating violence, sexual assault, and stalking; and individuals and families who have the highest barriers to housing and are likely to be homeless the longest;

1. Entry into Chicago's emergency shelter system is a coordinated process that involves going to the nearest hospital, police station or DFSS service center and calling 311 for transportation assistance to a shelter with available beds. Shelters with available beds must admit individuals or families that request shelter.
2. Scopes of service with shelters include the provision that prohibits 'turnaways' related to the age or gender of children. Shelters must also have standard voluntary and involuntary discharge procedures, which are reported on in the RFP process and reviewed by DFSS in monitoring reviews. DFSS, through its RFP contracting process, also issues standard shelter procedures that

require sub-recipients to establish written policies and procedures and governs areas including administration, operations, facility requirements, personnel, health and safety, food service, coordination with DFSS.

3. Length of stay standards are established by the Program Models Chart of the Plan to End Homelessness. Emergency shelters and interim shelters have no length of stay requirements though DFSS and the CoC are evaluating new ways to measuring length of stay (e.g. identifying system baseline and working to reduce length of stay by target percent).
4. Chicago has four domestic violence shelters which are secure and unidentified locations. Assessment and services include safety planning and trauma-informed care, as well as legal advocacy, and children's services.
5. In 2017, as part of the CES, Chicago implemented standardized housing assessment, Chicago's Coordinated Entry System, which utilizes a Vulnerability Index to prioritize the most vulnerable individuals and families for housing. The tool incorporates barriers and length of homelessness as factors of vulnerability. DFSS scopes of services require shelters and outreach and engagement programs to ensure that individuals and families they serve are assessed and connected to a housing provider if indicated by the CES.
6. Chicago's Coordinated Entry System includes diversion. DFSS has implemented diversion for families presenting for shelter at the Emergency Homeless Assessment and Response Center (EHARC) Catholic Charities implements diversion for Youth. The CoC is committed to expanding diversion to all populations in the implementation of CES.

Policies and procedures for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to emergency shelter;

Chicago's procedure for accessing emergency shelter involves going to the nearest hospital, police station or DFSS service center and calling 311 for transportation assistance to a shelter with available beds. One delegate agency manages the Shelter Clearinghouse for single adults and another delegate agency manages the Shelter Clearinghouse for families, which provides daily bed availability reports from each DFSS-funded shelter. Mobile Outreach identifies available beds and transports individuals and families to shelter. Shelter is available on a first come first served basis and Mobile Outreach triages individual and family needs to match them with available shelter services that meet their needs. Shelter programs, as outlined in their scopes of service, are required to report bed counts daily to the Shelter Clearinghouse, conduct eligibility and service needs assessments, complete individual service plans and regularly assess progress on those plans to identify changing needs.

DFSS provides assistance to the Mobile Outreach team and shelter providers when there are not available beds to match a household's composition or service needs and during severe weather. In that capacity, DFSS contacts shelters that may be a better match or have the capacity to expand operations when additional beds are needed on a short-term basis.

Policies and procedures for coordination among emergency shelter providers, essential services providers, homelessness prevention, and rapid re-housing assistance providers, other homeless assistance providers, and mainstream service and housing providers (see §576.400(b) and (c) for a list of programs with which ESG-funded activities must be coordinated and integrated to the maximum extent practicable);

1. DFSS and the CoC promote coordination among service providers in many ways. The scopes of services for emergency shelter, homelessness prevention, rapid re-housing and homeless assistance providers all require delegate agencies to perform the following activities:
 - o Perform benefits screenings and provide linkages to mainstream resources
 - o Perform employment assessment and provide linkages to services
 - o Provide and/or link to physical health assessments, psycho-social assessments, and mental health and/or substance abuse services as appropriate for all household members, including children
2. DFSS coordinates the outreach and engagement activities of its delegate agencies and funds one delegate agency to coordinate the outreach to homeless individuals and families through the Coordinated Entry System (CES). Outreach providers are required to help homeless individuals and families complete the CES standardized housing assessment, assist with securing the required documentation for the application process and provide follow-up after move-in. Outreach scopes of service also require eligibility screenings for mainstream benefits, including SSI/SSDI through the SSI/SSDI Outreach, Access, and Recovery program.
3. DFSS promotes participation in CoC commissions and committee work groups through the CoC Action Agenda, which is another area of coordination among providers.

Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid re-housing assistance;

Homelessness Prevention policies and procedures, included in scopes of service, include the following:

1. The Homelessness Prevention Call Center (HPCC) is the primary point of entry for ESG homelessness prevention resources and is also a way that people seeking eligibility and referral for rapid rehousing assistance can complete initial evaluation. HPCC fields a high volume of calls each year, nearly 50,000. Each call receives a screening and evaluation for eligibility and all information is entered into HMIS. HPCC makes electronic referrals through HMIS for continued case management.
2. The HPCC conducts initial evaluations and referrals to available prevention assistance. HPCC is Chicago's prevention infrastructure to assess and refer for public and private resources, including the City of Chicago's Rental Assistance Program, which provides short-term financial assistance to low-income individuals at risk of eviction and homelessness and is funded through ESG. This assistance is administered by DFSS's six Community Service Centers.
3. The established eligibility criteria for ESG prevention assistance administered by DFSS include includes imminent risk of homelessness, income below 30 percent AMI and ability maintain rent payment after assistance ends. The program offers short-term rental assistance up to 6 months.
4. On March 9, 2020 Governor Pritzker declared Illinois a disaster area in response to the coronavirus public health crisis. The pandemic has resulted in a statewide stay-at-home order, requiring that individuals stay in their place of residence other than essential services exceptions for maintaining the health and safety of the public. As a result, there have been significant economic impacts, including the loss of jobs, income and wages, leading to widespread financial insecurity.

Subsequent to the Disaster Proclamations, the Governor issued an Executive Order to halt evictions statewide on March 20, 2020 and issued another Executive Order on April 23, 2020 clarifying the eviction halt for the remainder of the Disaster Proclamation. The Order states that a person or entity “may not commence a residential eviction action pursuant to or arising under 735 ILCS 5/9-101 et seq., unless a tenant poses a direct threat to the health and safety of other tenants, an immediate and severe risk to property, or a violation of any applicable building code, health ordinance, or similar regulation.” This Order did not remove any obligation of tenants to pay rent or comply with their lease or rental agreements.

In addition, the Mayor of the City of Chicago has launched a Chicago Housing Solidarity Pledge, a voluntary affirmation by landlords in Chicago that they will provide assistance to renters who have demonstrated financial impact due to COVID-19, including the possibility of offering their tenants a grace period and deferred payments, a written payment plan, or no late fees for missed payments.

Flexibility in Responding to Growing Local Need: In this environment, there is a substantial number of Chicago renters who are experiencing significant financial hardship but remain housed currently despite not being able to pay their rent. While they are not receiving immediate eviction notices and are not experiencing an imminent threat of housing termination, they are accruing rental arrears each month of non-payment, making it increasingly difficult to maintain housing after these relief efforts expire, and resulting in a potential cliff effect of mass eviction orders across the city overwhelming the homeless system. In response to the current widespread need by residents who do not qualify as “at risk” under the current standards included in 24 CFR 576.2 (iii) as written, and to decrease the future wave of evictions, this minor amendment is needed.

- a. Documentation of At-Risk Eligibility: Property owners can provide a Notice of Non-Payment of Rent to tenants requesting financial assistance beginning on March 27, 2020 and until the remainder of the Disaster Proclamation.
- b. Notice of Non-Payment: Property owners cannot charge fees, penalties or other charges nor be a notice to vacate for non-payment of rent or other fees.

Rapid re-housing policies and procedures include the following:

1. Households seeking homeless housing assistance will be offered a CES standardized housing assessment.
2. The Chicago CoC has written prioritization standards for all housing models. Referrals to ESG funded rapid rehousing are made through the Coordinated Entry System based on ESG eligibility criteria and the CES prioritization standards. CES Prioritization standards can be found at: <https://www.csh.org/chicagoces>. DFSS will continue to align referral prioritization for RRH with the CES prioritization standards including any changes that are approved by the CoC Board.

Standards for determining what percentage or amount of rent and utilities costs each program participant must pay while receiving homelessness prevention or rapid re-housing assistance;

The RRH program will determine the tenant rent contribution as a percentage of the household's income (i.e. the household would pay a proportion of their income towards rent, and the program would pay the balance).

1. In month 1, the ESG program will pay up to the full cost of rent (100 percent).
2. For months 2-3, households will be expected to contribute between 30 percent – 100 percent of their gross income towards rent with the ESG program will paying the remaining balance of the cost of rent.
3. For months 4 and beyond of assistance, households will be expected to contribute between 50 percent - 100 percent of their gross income towards rent with the ESG program paying the remaining balance of rent.

Standards for determining how long a program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time; and

1. The Rapid Re-Housing Partner Agency and household will come to agreement on the length of assistance needed based on a "Service Assignment Assessment" that captures income, debt, education and employment history, legal history and housing barriers. The Service Assessment is used to identify barriers to permanent housing stability, in order to develop the Housing Stability Plan. The Housing Stability Plan ensures housing stability through goals and action steps. All households receive assistance for an initial 3 month-period. After this initial period, the length of assistance is reassessed monthly through a review and update of the Housing Stability Plan. Recertification occurs every three months.

Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance; maximum number of months the program participant may receive assistance; or the maximum number of times the program participant may receive assistance.

1. This ESG allocation will be targeted to twelve months of tenant-based rental assistance, plus security deposit, and utility deposit. Payment of utility arrearages will be paid on a case-by-case basis if no other resources are available. Households may be extended beyond twelve months on a case by case basis, supported by evidence of continued need for financial and/or service assistance through the recertification process. Households may re-enroll following exit from RRH program in cases of returns to homelessness or imminent risk of homelessness. If they re-enroll, they will be eligible to receive additional assistance for a total of 24 months of rental assistance within a 3-year period, starting from the initial enrollment.
2. The RRH program will determine the tenant rent contribution as a percentage of the household's income (i.e. the household would pay a proportion of their income towards rent, and the program would pay the balance. In month 1, the ESG program will pay up to the full cost of rent (100 percent).
3. For months 2-3, households will be expected to contribute between 30 percent – 100 percent of their gross income towards rent with the ESG program will paying the remaining balance of the cost of rent.

4. For months 4 and beyond of assistance, households will be expected to contribute between 50 percent – 100 percent of their gross income towards rent with the ESG program paying the remaining balance of rent.
5. It will be a standard policy that the assisted household saves funds while receiving ESG rental assistance to prepare for future assumption of full rental responsibility upon exit from the program.
6. Housing relocation and stabilization services will begin in the month prior to exit of homelessness and continue through the duration of the tenant-based rental assistance.
7. Housing relocation and stabilization services will also be offered, as needed, during the 3-month follow up after tenant-based rental assistance ends. Services will only be offered if the household is in crisis precipitating a loss of housing

Chicago's ESG Rapid Re-housing program uses a progressive engagement approach and will offer the least amount of assistance a household needs to gain housing stability. Although the Service Assignment Assessment projects the length of time a household is likely to need, households will only be approved for an initial three-month period. Continued need for financial and service assistance beyond three months will be evaluated with a recertification assessment one month prior to the end of the three-month period. Households will not qualify for extended assistance if they meet any of the following criteria at the time of recertification:

- Household income is 31 percent AMI or higher
- Household's rent-to-income ratio is 40 percent or lower
- Household has achieved all housing stability plan goals
- Household has identified other financial resources to maintain housing
- Household has identified other housing options

Households may only be recertified for an additional three months at a time. A recertification assessment is required for each extension.

HUD Approved Minor Amendment 6/2/2020:

In response to local considerations due to the COVID-19 pandemic, the City of Chicago is expanding the definition of at risk of homelessness to comply with 24 CFR 576.2 (iii)(G) to: During a statewide Gubernatorial Disaster Proclamation in response to a public health emergency where maintaining social distance and remaining at home is recommended by public health officials to preserve health and safety, any individual or family who is unable to pay rent due to financial hardship encountered since the date of the initial health Disaster Proclamation is considered at risk of homelessness.

The City of Chicago follows all other rules and regulations associated with at risk of homelessness as defined by HUD in 24 CFR 576.2.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan – It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

Title

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2023 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws – The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations

Lead-Based Paint – Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws – It will comply with applicable laws.

OPTIONAL Community Development Block Grant Certification

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities which are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4726-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment, and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 ad-3 and 290 cc 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-848) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11980; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1980, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties) and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from: (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7326) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§270a to 270a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) installation of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §170), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4340-3009
Expiration Date: 02/28/2025

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or prevents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4725-4783) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (F.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1811-1883, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§8601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§472F-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4901 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1688), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 cc 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan – It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

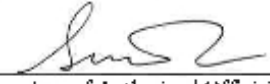

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2023 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws – The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations

Lead-Based Paint – Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws – It will comply with applicable laws.

12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11980; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1988, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties) and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from: (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4140-0089
Expiration Date: 12/28/2025

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

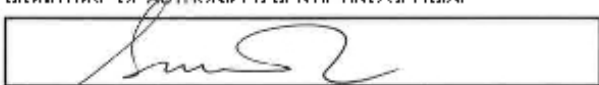

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. Those include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 5794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VII of the Civil Rights Act of 1964 (42 U.S.C. §§2601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or prevents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4725-4783) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (F.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1811-1883, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§8601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

Expiration Date: 22/28/2025

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§472B-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4901 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1688), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 cc 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
