

Chicago's Citywide **Clean & Green** Volunteer Clean-Up

Saturday, April 18, 2015

On Saturday, April 18, you and your neighbors can make an immediate difference in your community by volunteering your time and efforts for Chicago's citywide Clean & Green Day of Service. You can join a two decade long tradition of teaming up with neighbors, community groups and the City of Chicago to help beautify areas in your neighborhood.

This spring, Mayor Rahm Emanuel, the Chicago Department of Streets and Sanitation, and the Chicago Department of Transportation are encouraging Chicagoans to clean viaducts and areas around viaducts for Clean and Green. Residents will be provided necessary resources, including paint, to clean, paint and beautify viaducts in their neighborhoods.

To make a difference in your community, all you have to do is team up and sign up to clean a viaduct or other neighborhood location near you.

The City will provide you with all the bags, rakes, shovels, brooms and paint to get the job done.

Join us on April 18 and help make a big difference in your neighborhood.

To register or for more information, call us at 3-1-1 or visit www.cityofchicago.org/dss.

Registration deadline is Friday, April 10.
